.2 Accounts to date APPENDIX I

.3 Draft budget and Precept 2022/23

TO NOTE – Latest information from BDBC is that grass cutting grant will be usual 1% increase
– from HCC that LM funding will be in place for another year.

Draft budget APPENDIX II based on Precept increase of 3% = £10,325
a total increase of £301 on this year.

Precept for this year 2021/22 is £10,024.

£10,024 / 2021/22 tax base (292.2) = £34.31 per annum per Band D household.

Precept request for coming year of £10,325 would be

(2022/23 tax base confirmed £294.5)

£10,325 / 294.5 = £35.06 per annum per Band D household, an increase of £0.75.

To note this will be double for band H and half for band A.

AGREED: As mooted at the November meeting, a Precept request of 10,325. APPENDIX III

6 FROG LANE

.1 Allotments

i Wood chippings – Thanks to Colin Robertson for arranging delivery of half load of fresh hardwood chippings (hard wood last longer, less acidic) on 9th December for allotment holders' paths etc.

ii All the allotments are now taken for the coming year.

iii Proposal for allotment apiary All neighbours, neighbouring landowners, local beekeepers and allotmenters consulted and supportive of the Apiary proposal.
Next step for the proposed apiary tenant to meet on site with mentor to confirm suitability of the location and any works required.

iv Bird boxes Site visit with Chairman, Tree Warden and allotment holder to confirm location of new bird boxes (also at the Village Hall grounds).

.2 Watercress Beds Lease Bates Solicitors currently reviewing the draft lease.

.3 Frog Lane Verges

AGREED Repair work to bolster the roadside north of the allotment gateway, to help vehicles avoid the area opposite the gate where tree roots damaged and road breaking away.

NOTED Verges by allotment gate has been driven over but no damage to the culvert mouth.

7 VILLAGE HALL GROUNDS

.1 Playground Inspection Thanks to Kevin Rafferty for routine inspections. Works list from RoSPA inspection in hand, seeking quotes.

.2 Tennis courts Noted – new net posts have been delivered.

.3 Jubilee Tree Noted – A London Plane tree is on order – as requested by the Tree Warden and supported by the Friends of St Mary's. Site visit with Tree Warden agreed the location for tree (between the football net and the tennis courts).

AGREED To purchase wrought iron tree guard and Jubilee plaque.

.4 Bird boxes (see Allotments)

.5 Maintenance Contract

CONFIRMED – Maintenance contract renewal with Martin Gosling for 2022, changes to some contract tasks as requested by Alison Stent.

AGREED The standard 2% increase but to reduce number of cuts to Mapledurwell pond area from 20 to 14. To monitor in terms of growing season and increasing fuel prices. Additional cuts to the recreation ground where required to be invoiced separately.

8 VILLAGE & HIGHWAYS MAINTENANCE

.1 Mapledurwell pond

AGREED To replace fence posts and rail as required, plus replace bridge / ditch crossing point with new sleepers and mesh (where old timbers deteriorating).

.2 Up Nately Village Greenspace

AGREED To go ahead with chosen quote including breaking up and removing concrete base from old stable block, fencing by canalside and moving gate.

.3 Rights of Way – Priority cutting service County will again be running a limited cutting service, Parishes may submit requests.

AGREED to submit request for cutting Up Nately Bridleway 21 **APPENDIX IV**.

.4 Rights of way – Footpaths warden report – No new issues. Outstanding task of posts and rail at Five Lanes End to be discussed. FP Warden noted this is a substantial job which warrants a contractor rather than looking to volunteers.

.5 Five Lanes End (BOAT) Tree protection rails.

AGREED To obtain quotes and discuss with Friends of St Mary's, the original tree protection rail was a Friends' project

.6 Highways – Update on Greywell Road pavement M3 to A30

Cllr Still requested an update at her monthly Highways meeting of Friday 7th January. She forwarded Highways' report that:

'A job to cut back the vegetation is with our Operations team and anticipated to be completed by the end of January.'

Ref: Highways' (Highway Support Officer) response from October 2021... 'Having looked into your report of vegetation encroaching the footway along Greywell Road between the A30 and M3 bridge, I can advise that our local Assistant Highways Engineer inspected the site shortly after receiving your enquiry. It was found necessary to then pass your enquiry to our specialist Arboriculture service to conduct a more in-depth inspection.

'I can advise a job has been raised by the Arboriculture team to have the offending vegetation cut back. However, as the work is more extensive than a standard flail, it will take time to programme. For this reason I am unfortunately unable to provide you with a date for these works.'

NOTED This boundary hedge borders the HCC-owned SSSI land.

9 PLANNING – Parish planning update APPENDIX V.**.1 New applications since last meeting**

T/00615/21/TCA (Validated: 01 Dec 2021) Manor Farm Barn, Tunworth Road.
One Weeping willow: reduce by approx a third. *No objection.*

21/03571/FUL (Validated 24 Nov 2021) Lyde Court, London Road, Old Basing.
Replacement of open-sided internal ground floor rear 35 space cycle store with a 2-bedroom flat. Transfer of the 35 displaced cycle spaces to external covered secure cycle racks. Associated minor alterations to elevations. *Parish Council objection re loss of internal cycle storage; new developments need now to give, and to be seen to be giving, greater priority to provision for cyclists.*

10 GREENING CAMPAIGN A notice promoting the Greening Campaign to be included in the February *Villager* **APPENDIX VI**. Suggested topic for Parish Assembly.

11 FURTHER UPDATES & REPORTS

.1 Highways monthly meetings County Cllr Elaine Still advised of a new system of County Councillor / Highways Officer monthly meetings. This system is to support not replace the online reporting system, but potentially useful to raise outstanding issues and request information / progress reports.

12 MEETINGS

.1 Scheduled meeting dates for 2022 – third Wed of month, 7pm
16th Mar, 18th May (AGM and Parish Assembly), 20th July, 21st Sept, 16th Nov.

.2 AGM / Parish Assembly

The AGM will be a short meeting from 7pm in the Committee Room with the principle agenda item of electing the Parish Council Chairman for the coming year. The Parish Assembly will follow in the main Hall. Set-up for the Assembly will be from 6pm.

AGREED to use provision of Chairman's expenses for refreshments – tea, coffee; wine, nibbles.

Meeting closed at 8.30pm with thanks to all present.

APPENDIX VI

GREENING CAMPAIGN

We all know about the need to reverse climate change – we all have ownership of the measures we can or have time to take to reduce our carbon footprint. So why this campaign?

The Greening Campaign was started in Petersfield by Terena Plowright who wanted to make a difference in her own community. 'The Greening Campaign' is now a Community Interest Group with copyright for the support packages and logo. The Campaign has been run in villages and towns across England, and so this is a tested 'blueprint' to make the administration of the project simple, but also each community is part of a now officially recognised process.

The thing about starting the The Greening Campaign is that it's about making a collective community commitment. Which might seem inspirational? – or really not necessary?

According to the Greening Campaign... By running Phase 1 it will engage ALL the community. The community will feel involved, and this will result in larger numbers taking part in the following Phases.

THEN CAN THE CAMPAIGN MOVE ON 'TOGETHER' TO BIGGER CHANGES...

PHASE 1
Engagement & behaviour change

Using the specialist pack, get everyone in your community to join together and make 5 significant changes to their lifestyle. Find out how much CO² you have all saved together!

<http://www.greening-campaign.org>

PHASE 2
Three Pillars

Using the specialist support packs, work together in your community to protect your local environment, retrofit your homes, and support human health. From here you have the building blocks for a sustainable community.

PHASE 3
Your sustainable community

Make a vision for your sustainable community. Work through the self-assessment toolkit and find your strengths & weaknesses. Then work on sections such as communication, carbon reduction, saving water, ecology, community energy, using the support we offer!

PHASE 4
Adapting to a different climate

A Community Adaptation Toolkit which helps you evaluate the risks climate change will bring to your community. Understand climate, and understand weather. The Packs together lead you to possible solutions so your community can adapt and flourish.

PHASE 1

The idea of Phase 1 is to answer 'What difference will it make if I change the way I live my life?'

Well this Campaign is about demonstrating (and quantifying) how much – collectively – small individual actions make the big difference.

'The power of the individual lies in the community. By acting together, your voice becomes an effective tool – an effective community response to an international problem – both in reducing CO² and also, your £s affecting what products are sold on the shelves.'

'10 people putting in renewable energy now, is not nearly as effective as 200 people conserving energy now and later replacing that with renewables. This is not meant to be an eco town running eco events. It is about small changes.'

So... Each Phase contains an Information Pack, on-line resources, videos, and supports you by email. You can sign-up to one Phase at a time... and having achieved, or be *en route* to achieving, Phase 1, the scheme brings access to a wider network of support.

PHASE 2

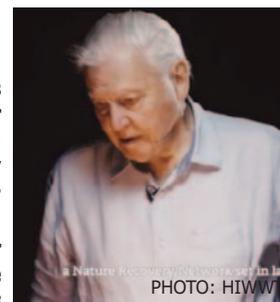

Phase 2 offers three (funded) specialist advice sets:

1. 'Rewilding package' supported by HIWWT
2. 'Retrofit' supported by the Sustainability Centre, and
3. on 'Health in Light of Climate Change'.

1. CREATING NATURE RECOVERY NETWORKS
<https://www.hiwwt.org.uk/nature-recovery-network>

'A wildlife rich natural world is vital for our well being and survival. We need wild places to thrive. Yet many of our systems and laws have failed the natural world. We now live in on of the most nature-depleted places on the planet.'

'Nature urgently needs our help to recover, and it can be done. By joining up wild places and creating more across the UK we will improve our lives and help nature to flourish. Because everything works better when it's connected.'
