A WOMEN'S SHED IN FROME?

Would the Women of Frome and the surrounding area like a place to meet which has a workshop and a social area? The Frome Women's Shed would be for women to make and mend things together, learn new skills, work on their own projects and use their skills for the benefit of the community. Activities in the Frome Women's Shed will be decided by the members. If you would like to attend a meeting about the Frome Women's Shed, planned to be held before the 24th March, please visit <http://bit.ly/WomensShed> to register an interest.
