

## Kingsclere Neighbourhood Plan Objectives

Following the results of the initial round of consultation and feedback, it was agreed to further refine and focus the original objectives, in order to provide more realistic and achievable goals within the relevant time-frame. Issues which were deemed to be within the remit of other groups, such as security and health care were removed. The following objectives were adopted by the NP group on 3<sup>rd</sup> March 2014.

### Objective

The Kingsclere Neighbourhood Planning Group is taking forward preparation of a Neighbourhood Plan covering the Parish boundary of Kingsclere. The group will consult widely with residents and businesses in Kingsclere to ensure as many opinions as possible are taken account in the drafting of the Plan.

The Kingsclere Neighbourhood Plan will focus on:

- *The provision of housing, with particular regard to low cost housing within the parish boundary*
- *The identification of potential sites for development in accordance with the Borough's Local Development Plan, taking account of the historical integrity of the village*
- *The implications for local road use and parking, in the light of any new developments*
- *The protection of existing facilities, continued provision and addition of a variety of sport and leisure facilities, particularly for children and young people, where need has been identified*

***All activity will take cognisance of existing relevant work on, for example, the protection of the natural environment, reduction of all forms of pollution, maintenance of footpaths, improving water flow and recycling provision***
