115/22 THE WAY FORWARD:- Cllr. Parsons explained he had asked for this item on the agenda with the intention of getting members to think of things which Council could do in the future to improve its service to parishioners or improve the parish in general. He was aware of the fact that as from 1/4/2023 (when the unitary authority North Yorkshire Council ran local government services) there was potential for parish councils to do more/have more devolved services. Initial suggestions received from councillors included carrying out site visits to planning applications, buying time from parking enforcement to address issues within the parish, replacing the faded/broken yellow lines. **Agreed** item to be on December agenda for further suggestions.

116/22 DATE OF NEXT COUNCIL MEETING

Agreed 1st December (Covid permitting), Village Hall Supper Room, 6.30pm start.

There being no further business, the Chairman declared the meeting closed at 8.05 pm.
