

Cango is Hail and Ride

You no longer need to book your journey on Cango. Instead you can just turn up at the designated time and go.

This means that you don't have to plan your journey in advance and can return on any trip you wish.

Cango now runs to a set route and most of the route will be 'hail and ride' so you don't even have to walk to a bus stop.

The bright yellow Cango buses, with two wheelchair spaces and regular drivers, will stay the same.
