The hamstone walled grassed garden at the back overlooks an orchard, ideal for Teddy Bears Picnics. There are no on-street parking restrictions along the road.

This is a lovely large hall (c 96 sq metres) with a very high ceiling and great for games and generally having fun. The oak floor is particularly suited to dance and gym activities.

The hall is lit by LED spots which can be dimmed, and heated by wall infrared heaters, providing economical and instant heat.

Both the Main Hall and the Rear Hall have independent access to the toilets and kitchen.

## REAR HALL

There is a stable door in the hall into the kitchen. The hall has Youth Club equipment that can be used by all e.g. table tennis, pool and table football. Like the Main Hall it has infrared wall heaters

The Centre has 10 melamine folding tables and 40 stackable chairs which can be used in either hall.
