### FRIENDS OF THE ILSLEYS PRIMARY SCHOOL NEEDS YOU Sue Evans

We have been fundraising furiously this year with the objective of raising over £2000 to help convert one of the older rooms in the school into a much needed extra teaching space. However there are always termly things to pay for and so far this year we have raised £1,900 and have paid for the following items not funded out of the schools budget.

- Books
- Panto trip
- Cadbury World trip
- Fabric for new stage curtains

So, as you can see we are still short of paying for much needed school improvements.

The most recent event held was last Friday night at the school - RACE NIGHT.

Although the turn out was disappointingly low, a great night was had by all that participated. All races were sponsored, and in total eight races were shown with bets being placed to raise £250. To make the evening go with a swing, a reduced price bar was available with a chilli dinner too.

Please, please support your local school if you can. Our next fund raising event is at the West Ilsley Fete, and over the summer we will be organizing lots of

events for the Autumn term. If you are interested in joining the The Friends, or finding out more please contact Sue on 281763.

### SATURDAY CLUB CAMPOUT VILLAGE HALL COMMITTEE

About 28 children took part in the day camp from 2 - 5pm. 14 of the younger ones enjoyed a nature treasure hunt followed by camp crafts and the older children collected fire wood and learnt how to make fires without using matches or firelighters. At 4.30 all the children had their hot-dog and marshmallow tea around the fire. At 5 pm some children went home and parents came to take charge of those staying. Tents went up, the fire roared, kids played happily in the woods and then it was time for spag bol and red wine for the adults (we certainly felt that we had deserved a glass or two by then). Most of the children who stayed, aged 3 - 14, took part in the team challenge which was fun for all of us. They had to build a bridge and had to take water from one side to the other. By 11 pm the children had all gone to bed and the moon was bright orange. The woods were a perfect place to be for the night. In the morning the fire was stoked and we had bacon butties for breakfast. The tents came down and we were finished by 11 am. We were so lucky on two counts. Firstly, to have amazing weather and secondly for having an enthusiastic Village Hall Committee who all worked together to pull it off. Our thanks must also go to the

Carlisle family for the loan of the site and all their assistance in many other ways. It was a truly memorable experience for everyone - lets hope we can find enough small and BIG kids to do another next summer! The next Activity Club will take place in late November. Any offers of help or indoor activity ideas would be most welcome. Until then the committee will be busy organising the Clay Pigeon Shoot on Sunday 19th October.

## WEST ILSLEY FETE UPDATE

There are several new attractions at this year's fete, out goes the Bouncy Castle and in come, not only a bouncy slide, but also the Gladiators Challenge. For those who would like to know what the future will bring there will be a Fortune Teller who will tell all.

We have a new children's entertainer who will be giving 2 shows, this is bound to be popular with children (and parents) of every age!

We still need volunteers to man some of the stalls. Anyone who can spare some time to help should contact any committee member.

Bric-a-brac is always required; please call Jo Scriven on 281405.

Any spare plants that you may have will be welcomed for the Plant Stall.

#### The Great Men Only Challenge!

As you blokes were so good at making scones last year, we have set a new challenge for you this year. The West Ilsley Show 2003 men-only competition is to make MUFFINS. There will be a tenner for the best entry so strap on your pinnies! Don't worry they are dead easy to make, and the less time you spend on them, the better they usually turn out. The stakes are already hotting up. There is talk of revenge, secret recipes, spoiling tactics, bribery and corruption..... As usual, I will give you a head start with suggested recipes and a few hints and tips for the perfect muffin. Knowing how you blokes love to experiment with flavours, you may want to try your own recipe. I cannot guarantee that the judge will agree to taste baked bean and marmite muffins though, so be warned.

#### Banana Muffins

Makes about 10 in a standard muffin tin or in individual paper cake cases.

10 oz (280g) self raising flour

1 tsp (5ml) bicarbonate of soda

½ tsp of salt

3 large, well ripened bananas giving 8-10 fl oz / 240-290 ml when peeled and mashed

5 oz (140g) caster sugar

1 egg beaten with a fork

2-3 fl oz (60-90 ml) milk

3 fl oz vegetable oil or 3 oz melted butter

- Heat the oven to 200 deg C for a conventional oven, 180 deg C for a fan oven or Gas mark 6.
- In a large bowl, sift the flour, bicarbonate of soda and salt
- In a separate bowl mash the bananas. Stir in the sugar, egg, milk and oil/butter.
- Pour all of the wet ingredients into the dry. Stir until no trace of dry flour is visible.
- Spoon into paper cases or muffin tins. to about three quarters full. Bake for 20-25 mins until tops are lightly browned and spring back when pressed gently.

#### Chocolate Muffins

Makes 10 in a standard muffin tin or individual paper cases

9 oz (225g) self raising flour

1 tsp (5ml) bicarbonate of soda

½ (2.5ml) teaspoon of salt

5 oz (140g) of caster sugar

4 tbsp (60ml) cocoa powder

1 egg

9 fl oz (260ml) milk

1 tsp (5ml) vanilla essence  
3fl oz (90ml) vegetable oil or 3oz (85g) melted butter  
3oz (85g) plain chocolate chips

- Heat oven to 200 deg C, 180 deg C fan oven or gas mark 6.
- Sift flour, bicarbonate of soda, salt sugar, cocoa powder and chocolate chips together in a large bowl.
- In another bowl, beat the egg with a fork, stir in the vanilla and milk followed by the oil/melted butter.
- Pour the wet ingredients into the dry. Stir until just combined.
- Fill the muffin tin/paper cases three quarters full. Bake for 20-25 mins.

Here are a few hints and tips for perfect muffins. First of all make sure that your flour is fresh. Do not leave out the bicarbonate of soda, it is important to get a good rise – and make sure it is not out of date! It is important that you do not over-mix when you incorporate the wet ingredients into the dry ones. Mixing should take no longer than 30 seconds with a metal spoon and the mixture should still look lumpy. There should be no trace of dry flour though. If using a metal muffin tin, then oil the base only as this will encourage the sides to rise to give a taller muffin. The perfect muffin should have a raised, symmetrical top and straight sides. If the muffins turn out hard and small, then your mix was probably too thick, or your flour or the bicarbonate of soda stale. If the muffin spreads sideways instead of up, then your mixture is too runny. If the top of the muffin is pointed and distorted, this indicates that the oven was too hot. Make them on the morning of the show as they are best eaten fresh.

Good luck and may the best man win.

### **Produce Show**

Don't forget, it is free to enter and the produce show is the heart of the village show., so please make an effort. It is much easier to register your entry this year. Simply write down the category number and your first name and surname on the labels provided and stick them to the underside of your entry. Children should put their age on the label too. The category lists will be posted in the marquee, so don't worry if you forget. Entries will not be accepted after 1pm and judging will be completed by 2pm. There will be cash prizes for the best children's exhibits. Cups will also be awarded for the overall winners in the homecrafts, flowers and ornamentals and fruit and vegetables categories. Make sure your garden is looking good as there will be a cup for the best garden and best hanging basket (as seen from the road). You don't need to enter for this, the judges will be making their decision one week before the show. If last years' cup winners could return their cups to Tanglewood one week before the show, we would be grateful. Lat years' winners were Mrs Pearman (Colling Cup),, N. Fielder (Sheila Hearn Rosebowl), Walton Cup (Sandra Carlisle), Country Garden's Cup (Denis Gilmour) and Millennium Cup (Toni Sugden).

The categories for this year's show are published here again, the more entrants we have for each category, the more likely we are to have new faces winning the coveted 1st places.

Flowers and vegetables are easy to grow and are always popular. Homecrafts are always popular, but we would like to see more entrants, especially sewing, knitting and upholstery. The flower arrangements are spectacular and almost anyone can take part,

The photograph competition was a great success last year, so get your cameras out and take lots of photographs of Ilsley, family, holidays and all of the other categories.

The judging for the best garden and best hanging basket will be judged from the road and the winners will be announced at the Fete, so get your baskets out, cut the grass, weed the beds and you may well be a winner.
