

Good evening.

Our previous report was on the website as we couldn't make the meeting in September.

The under 30's singles competition. We had a disappointing 8 entries after a few players dropping out, but on the whole the day was a success. Quite a few of our new/ younger members participated which was lovely to see. The date for this competition may need to be changed to allow other players to participate. It is something that we will look into. The two finalists are Andrew Moore and Daniel Humphreys. This match will be played on finals weekend.

We have also played a friendly triples game at Dawlish, which we won. One of our rinks received hot shots and will be presented with their certificates and badges at the game against The Presidents in March. We used this game to play two of our rinks which made up our under 25's double rink squad, with two reserves playing on the third rink with two older squad members.

Sadly, we have had to cancel our friendly fixture against Kingsley on February 22nd, due to insufficient player numbers, due to other fixtures taking place on the same day.

Our next game is against The Presidents on Sunday 1st March and then followed by the last game of the season at Madeira – where the Keith Weeks trophy is in contention!!

We have had ten new players join the Colts set-up this year, all under the age of 15 years! It is vital to keep encouraging these young players within their Clubs.

We appreciate the money that we receive for the Colts from the various Clubs and moving forward are looking at playing at different Clubs each year to say thank you.

Thank you.
