Attachments: Committee Members August 2019.xlsx

Good morning Councillors,

Thank you for feeding back your first preferences for the new Committee Structure, please see attached list. As things stand, there will be a vote on three of the Committees as there are more Councillors than we have spaces for Finance +3, Market +2 and Recreation +1. We have one Committee where we have just the right amount and this is Planning, then we have two Committees where we are short of members, Estates -3 and Transport -2. The HR Committee is already up and running.

I will leave it you, as to whether you would like to stick with your original choices, taking your chance on winning the vote or decide to move. There are also some of you who have not used up all of your four choices, so they may like to consider filling the vacancies.

I will publish the list at close of business on Wednesday next week, and wherever we have got to at that point, will have to be resolved at the meeting on 14th August – many thanks.

Best regards,

Richard Bishop
