Agenda: No previous agenda sent out, as the main focus of this meeting was to finalise the Village Update.

1. Slight amendments made to the proof edition. Printers have been very efficient and we are ahead of our schedule. JM will forward the finalised document to printers tomorrow.
2. Group agreed the project request of £10K to go to RFO for 2026/7 draft budget. This is made up of: £3K for display boards + £2K for information booklets + £5K for new website (this will be researched further)
3. Cllr Melville to assume the role of Chair of this group, as Cllr Martin took on the role temporarily. Proposed by Cllr Alesi, seconded by Cllr Martin.
