### CHURCH CLOCK

Hooray !! At last, it appears that the Church Clock is repaired, and that both dials are now working together. However, before we become too excited about this, we have to tell you that it is gaining time slightly, and is needing regular readjustment !! Well, we can't expect too much perfection all at once !!

### LEAD THEFT

The lead-thieves are working their way round local churches at present . Please can we ask everyone to be vigilant, and to alert Jonathan ( 860249) - or the Police, if they notice any suspicious activity around the churchyard, or hear the alarm go off. (The Church roof is alarmed, and will go off if anyone climbs onto it.) We would be very grateful for your help in this matter!

### LITTER PICK

The date for the litter-pick round the village is Sunday, April 7th. Please will all volunteers meet at KIRTON Hall Farm at 10.30am.
