Dear Mrs M Clough,

Wildlife and Countryside Act 1981 – Schedule 14
Order Making Authority: Staffordshire County Council
Title: Sch14 Appeal - Upgrading of Public Footpath 20 Betley Parish to Bridleway

I acknowledge receipt of your letter dated 04/07/2024, which has been passed to us by the council, regarding the above referenced Schedule 14 appeal. So that the Inspector can take your evidence into account when making his/her decision, we will need to copy it to the parties to the appeal (i.e. the applicant) and place a copy on public deposit at the Council's offices.

Unless we hear from you within 7 days of the date of this letter, we will assume you agree to this.

The applicant and Authority will both have the opportunity to comment on your evidence. You will be given the opportunity to respond to any comments we receive. The Inspector will then proceed to make his/her decision.

The Council should already have advised you where all the documents in relation to the appeal can be viewed. If for any reason you are unable to view the documents, please let me know as soon as possible.

Yours sincerely,

Joanne Reid
