Portrait Painting Group

We are looking for member or members who would be prepared to organise a Portrait Group once a month (initially). You would not be expected to do any tutoring just be the named person who would be on the venue hire form & ensure that the group ran smoothly. You do not have to be a committee member to do this. Before Covid the group run by Jean Jackson was very successful & many who attended have expressed an interest in attending, should the group re-start. It would be great if we could get something up and running for 2023. Please contact lichfieldsocartists@gmail.com if you are interested in helping.

Meeting 9th November 2022

7pm for 7.30 pm start

Lichfield Social Club, Netherstowe, Lichfield WS14 6TS

Lichfield Society of Artists Autumn Exhibition 2022

Thank you to all those artists who entered work and helped to make a successful show. Particular thanks go to Barabara Weaving, Dennis Harper & Mark Thomas who worked so hard behind the scenes co-ordinating entries and dealing with the venue etc. The exhibition wouldn't have happened without them.

The Society were very pleased to be able to welcome Mary Griffin who came to judge the work on display. She spent a considerable time looking at the work before finally choosing the award winners. Those receiving awards and commendations are listed below.

Michael Fabricant Award for Landscape Painting

Freda Harris for "The Cloud"

Jack Ballinger Award for picture with the best architectural interest

Ray Blundell for "Speakers Corner, Dam Street."

Armour Brown Award for the best in Exhibition

As some of the winning pieces were sold, Mary has said she would be happy to give feedback **on other work that was in the exhibition**. Due to the time available at the meeting on 9th November, it would be helpful to know if you would like to bring your picture with you. Please email lichfieldsocartists@gmail.com with your name and the title of your work. Inclusion will be on a first come first served basis.

I was researching some things to do inside as the weather changes. Members may find these exhibitions interesting? **All have charges and it is best to book on line**. Google the respective web sites for full details and opening times.
