Also, a big thank you to those who have decided to stay on the Committee, I know it's a big commitment to you all.

The AGM went very well, disappointed in those who decided not to attend.

My year as President will not be as busy as last year our Centenary, but there will be plenty to keep the members happy. I am looking forward to a great 2026.

As the new President, I would hope that I will be kept up to date with all that happens within the club, please feel free to call me for a chat, and that we have a successful and enjoyable bowling season.

4. Secretary's Report – Summer registration notices have been shared and displayed and requested these are updated on our website.

We have opened the books for the Spring Open on 4<sup>th</sup> April. As always, we would like to give priority to visiting teams to enter this, but a bank of reserves players and teams are always helpful. Not forgetting we are on the lookout for volunteers for the day as without these the event cannot run.

I am awaiting a reply from the council re the weather board on the replacement door from the kit room.

The Bay tree at the end of rink is getting closer to being trimmed
