

Village Newsletter

Members Wanted

Would you be interested in joining the Cliddesden Golf Society?

The Society is for male and female golfers of all abilities and the object of the day is to play some golf, have some fun with a light meal afterwards at an affordable price.

We play individual Stableford off full handicap.

Depending on the uptake we may possibly have a team competition for a trophy!

If you are interested please contact me directly via mobile 07947 070494 or email oherlihyfamily@btinternet.com

This is open to anyone living in Cliddesden and Farleigh Wallop.

Looking forward to hearing from you.

Carrie O'Herlihy

Come along to our

New Pilates Class

every Friday morning 8.45 – 9.45
Cliddesden Millennium Village Hall

All ages and abilities welcome

Pilates is ideal for ALL ages (never too old!), men and women, all fitness levels, post surgery, bad backs, shoulders, hips etc. Most issues can be beneficially accommodated.

ST LEONARD'S CLIDDESSEN:

WALK

6th July 2019

IN CELEBRATION OF ALL THINGS SPANISH,
¡Viva España!

WITH WELCOMING HOSTS ACROSS THE VILLAGE

FROM 7.30 PM UNTIL LATE (12ish)
Tickets £12 each available from:

Miche Donaldson	475721
Nicki Barnes	07889 236175
Ben Maunder	327859

In aid of church funds

Good News! The Jolly Farmer will be opening again soon. Punch Taverns weren't able to give an exact date but said it will be during the first or second week of July.

Village News

Many thanks to all who came to watch the two performances of “Loco Motives”, written by our own Emily Golborn and performed by the Cliddesden Players. A very funny play with layer upon layer of subterfuge worthy of Agatha Christie’s “Murder on the...” (which got a mention) but without the murder. There were many stand-out performances but the funniest moments must be the removal of the (not dead) body and it’s subsequent “manipulation” (you had to be there), and the great characterisations of the German psychiatrist and French horologist, not to mention the rather manic agoraphobic! The comic timing of the whole cast together with some quick improvisation (when things didn’t quite go to plan) made for a highly entertaining evening. Look out for the photos on the Hall’s Facebook page.

Despite the cool damp weather (although the rain just held off), the pre-play BBQ went down very well as usual, with delicious burgers and a great variety of salads, washed down by the obligatory Pimms. Thanks for this goes to Les, Sarina, Carol, Alison, Geoff, Tracey, Annie and Ashley for their brilliant culinary efforts and to Sarina and Les for their generosity in sponsorship.

The Hall’s thanks goes to all the Players yet again for this fantastic production, not just the actors but also the back stage “guys” responsible for set and props (the imagination and skill involved to build 3 train compartments on one stage was fantastic), all involved in the admin, advertising and producing and selling tickets, the front and back of house people looking after the lighting, sound and prompts, and of course all those helping with the bar and other refreshments.

Whilst final figures are not available at the time of writing this (although it looks like it will exceed £2,000), these evenings are not only very enjoyable but also provide a substantial financial contribution to the Hall for which the Hall is ever grateful. In addition we also managed to make a contribution to St Michael’s Hospice from your generous donations in exchange for a programme. Looking forward to the 2019 Panto...

Talking of financial contributions, a reminder about a great opportunity to raise **FREE** donations for the Hall via **Give as you Live** just by shopping online. Last year the Hall received almost £200 from this source, up from 2017’s £150, and we would like to increase it further. If you have not done so already, how about signing up for free at www.giveasyoulive.com/join/cliddesdenhall before you do any more on-line shopping so that you can donate to the charity of your choice at no extra cost to you. The range of on-line shops and stores is very diverse and includes all the major grocery stores, high street retail stores, Amazon and other on-line retailers, computer manufacturers such as HP, right through to hotels such as Holiday Inn, Ibis and Hilton, and many, many more. More information is elsewhere in this newsletter.

Not a lot else this month, so just a few notices:

Save the date - we are planning for a village event at the Hall for the Sunday afternoon of **8th September to celebrate the Hall’s 20th year**. More information to come in future newsletters.

Is there anyone out there that can put up shelves in the back room and regular group cupboards? Let us know via shelves@cliddesdenhall.org.uk.

Do you have a single fridge or fridge-freezer that you no longer required to put in the new storage building for occasional use - 57 cm wide and about 80cm high to fit under a work top. If you have one in working order that you are looking to get rid of then please get in touch via fridge@cliddesdenhall.org.uk.

We are still looking for a new logo. Something modern, something fresh, something crisp, a bit of colour, something that says “Cliddesden”, something that we can use on-line and off, on our website, Facebook page, ... Get in touch via logo@cliddesdenhall.org.uk if you can help.

.../contd.

Finally, remember to visit the Hall's website at www.cliddesdenhall.org.uk and Facebook page at www.facebook.com/CliddesdenVillageHall for the latest news, photos and events at the Hall

Church Services for July

Sunday 7th July 11.00am : Family Service at All Saint's Dummer

Sunday 7th July 3.00pm: : Confirmation with the Bishop of Basingstoke

Sunday 14th July 11.00am: Holy Communion at St Andrew's Farleigh Wallop (Common Worship)

Sunday 21st July 11.00am: Family Service

Sunday 28th July 11.00am : Family Service at St Martin's Ellisfield

Sunday 4th August 9.45am : Holy Communion (Common Worship)

Police Report

Dear Residents,

I am pleased to report an absence of reported crime in the parish, I am however aware of an event in which fireworks were set off in the late evening. Whilst there are no regulations for fireworks or when they can be let off, it may be wise if you are likely to have an event to just add something to the community pages or let neighbours know as I am aware that a dog went missing overnight having run away as the display began.

In nearby Ellisfield we had a shed broken into at the Allotments on June 2nd where a strimmer was stolen. A white Transit van with a registration number of 05.D.1144 was seen in the area, damage was also caused to a

padlock and chain, also in the allotments area.

At Herriard we have recently had theft of garden ornaments; an ornate metal post box was stolen from a house alongside the A339 and a saddle stone top was also stolen the same night, also from a garden. Both were heavy so several men would have been required.

Across the area we have experienced several non-dwelling burglaries especially in the Lower Wield area where there have been thefts of garden equipment, strimmers, chainsaws etc. I urge all residents to please record serial numbers and model numbers and take photographs of expensive equipment for your records.

Andrew Reid

Local Constable

Tel: 01256.389050, Mob 07768.776844

Together with our contractor Serco we are making some changes to waste, recycling and garden waste collections in the borough. From the week beginning **Monday 22 July 2019**, over half of the borough's households will see a change to the day, recycling week or the time their bin is collected. Most of our garden waste customers will also see a change. These changes are necessary to ensure the smooth running of the service both now and in the future. They will reduce the distances bin trucks are travelling, revise the routes to incorporate new homes in the area and simplify collections for some

residents so their glass and recycling is collected on the same day.

Most importantly, you will still receive a weekly waste collection and a fortnightly recycling collection.

Leaflets will be sent to all households during the first two weeks of July. These will contain details of your collection day, your new timetable and any additional information that may be relevant to your household.

Information will also be available from 1st July at www.basingstoke.gov.uk/bin-changes

New bin collection dates will start from Monday 22 July.

Basingstoke and Deane Local Plan Review

The current Local Plan was adopted in May 2016 and covers the period 2011 to 2029. National guidance now promotes the concept of an on-going cycle of plan making and review, which is reinforced by a legal requirement to review Plans every five years. Following an initial review, which considered recent changes to national planning policy, including the introduction of a new approach for assessing local housing need, BDBC has taken the decision to update the current adopted Local Plan.

How Long Will it Take to Update the Local Plan?

The council is required to publish a Local Development Scheme (LDS) to set out which planning documents will be produced and when.

The new LDS, is available to view on the council website at <https://www.basingstoke.gov.uk/LDS>.

The LDS includes a timetable for the production of the Local Plan Review.

Milestone

Issues & Options consultation: Oct–Dec 2019
 Consultation on draft Plan (Reg 18): Apr–May 2021
 Publication of Submission Draft Local Plan (Reg 19): April– May 2022
 Submission: Summer 2022
 Examination and Main Modifications: Autumn 2022 - Spring 2023
 Adoption: Summer 2023

How to Get Involved

BDBC will be undertaking a number of formal consultations throughout the Local Plan Update. It is currently considering the suitability of holding an initial consultation later this year on the issues and options which the update should cover

100 Club

Hello members

The draw for June was called at the Coffee Morning on 10th June 2019. Congratulations to the lucky winners:

CONCERT AT ALTON ABBEY

by 'In Accord' with Sue Lampard and her 14 piece a cappella choir
 To be held in Alton Abbey Church
 Friday July 26th
 7.30pm with a short interval

As part of their performance, the audience will learn how A Cappella singing works, and hear how the parts build up to make the harmonious sound

of the full chorus. There may even be some audience participation in harmony singing!
 The Concert will be followed by wine and light refreshments in the Cloister garden
 Tickets £15.00 available from "Tickets", Friends of Alton Abbey, Alton Abbey, Beech, Alton, GU34 4AP
 Cheques should be made payable to "Friends of Alton Abbey". Please include a SAE & a telephone number and/or email address For more information email: friendsofaltonabbey@gmail.com

Cliddesden Primary School

KS1 Team Sports Competition

On the 10th May, Key Stage 1 enjoyed a team sports competition. The Year 6 children ran the competition, with a little help from our specialist sports teacher Ms Costen.

All the activities were well planned and explained. Everyone had a great time and enthusiastically participated in the events. Points were awarded for showing our sporting values and some additional house points were awarded for outstanding effort and determination.

SATs

Our wonderful Year 6 pupils completed their SATs tests. Fuelled by a hearty breakfast each day, they showed great composure and battled their way through the gruelling tests on Grammar, Spelling, Reading Comprehension and three Mathematics papers. We are proud of all the children for their hard work leading up to the tests and their positive attitude in trying their best.

Year 6 visit Gordon Brown Centre

On Friday 17th May, all of Year 6 went to the Gordon Brown centre to relax after their SATs week. We enjoyed three activities: low ropes, a team obstacle challenge and laser tag.

The low ropes were actually a series of challenges. As well as balancing on beams and wires, we had to build a bridge and work as a pair to cross a swing bridge. Then there was also a rock climbing frame and a cargo net. Just when we thought we were safe, Mrs Hussey kept swinging the cargo net to make it a thousand times harder!

After that, we went to the second obstacle course, where we got split into two teams - Team Alpha and Team Delta. We stayed in those teams for laser tag too. As we completed the obstacles, we were timed. By lunchtime, both teams had an equal amount of points, so it was all down to laser tag.

Laser tag was definitely our favourite event of the day. Everyone had to wear sensors on a hat, and carrying our laser guns we headed into the woods. We played two versions of laser tag: one where we had to capture all of the opposite team, and one where we had to guard the VIP.

We had an amazing time and when the Year 5s become Year 6s I would definitely recommend this trip to them.

By: Alfie, Year 6

Chestnut Class visit QMC Science Centre

On Tuesday 21st May we visited Queen Mary's College, to learn more about our science topic: Plants and rocks.

When we arrived, we split into five groups and were allocated to an activity. We worked our way around each activity throughout the day and therefore experienced a range of experiments connected to our topic.

The first activity was building our own flower using various materials. We had learnt all about the different parts of a flower during our science lessons and used this knowledge to build the flowers showing each individual part.

We then had an activity that showed us how water moves through a plant. We used microscopes to examine the stalk and petals of flowers after being in different coloured water for a few hours. We realised that only part of the petals and stem had taken on the colour from the water, giving them a striped appearance.

Our final experiment connected to plants was looking at seed dispersal. We looked at many of the different ways in which plants disperse their seeds. We made our own winged seed and practiced scattering paper hole punch circles in front of a fan to see the effect that wind has on parachute seeds such as Dandelions.

We also had two experiments that looked into rocks. The first one looked at how rocks change within water. We had a range of rocks that we looked at to see if, when fully immersed in water, they changed. We discussed why absorbent rocks might not be useful for certain jobs such as building houses.

The second rock activity explored volcanic rocks. We looked at how rocks are formed when a volcano erupts. We explored Pumice and Basalt rocks and then completed an experiment making a model of pumice stone and basalt using baking powder and molten wax.

We had a really good day at QMC and learnt lots more about both plants and rocks.

Year 5 and 6 Hockey Tournament

Some of our year 5 and 6 children participated in a inter school hockey tournament at Down Grange. They played well against some difficult opposition. In the end they drew 2 matches, lost 2 and won 1. We were playing against much larger teams and had few chances to

rest on a very hot afternoon, so they showed great fitness levels and determination.

We were very proud of how well they worked as a team and showed our school values.

KS1 visit Marwell Zoo

To enrich their Amazing Animals topic, the children of Willow and Beech Class enjoyed a fun-filled trip to Marwell Zoo.

The children enjoyed exploring the Zoo and identifying animals and their habitats. It was fun trying to spot where animals were camouflaged by their surroundings.

Willow Class enjoyed a ride on the land train and a highlight for Beech Class was listening to the monkeys singing in harmony.

It was a joy to see the children exploring, being inquisitive, asking lots of questions and also trying to find out the answers for themselves.

Year 5/6 Cricket Tournament

Our Year 5/6 cricket team enjoyed participating in the local schools cricket tournament at May's Bounty Cricket Club.

Coached by Mr Barden, we were up against some strong opponents and although we were not successful in our games, our team showed great spirit, excellent teamwork, resilience and exceptional sporting values. Thank you to Mr Barden for enabling

this experience.

Year 4-6 Netball vs Oakley

Our Year 4-6's enjoyed putting their skills to the test at a friendly netball competition at Oakley Junior School. The teams arrived in high spirits and were pleased to see Miss Romaine again. Both schools entered two teams and each team competed against each other in some fast paced matches. All teams showed great determination, excellent teamwork and exceptional sporting values.

Summer Fun Day

On Saturday 8th June, the FRIENDS of Cliddesden Primary School held their Summer Fun Day. The weather could have been better but this didn't put off lots of people who braved the wind and rain. Amongst those who attended were the Deputy Mayoress Onnalee Cubitt and Lord Portsmouth. Plenty of fun was had with traditional games like hook-a-duck, coconut shy & lucky dip as well as a bouncy castle and performances in the arena. Great food and drink were enjoyed whilst a raffle of over 50 prizes from

local businesses helped raised funds for the children of the school.

Paula Lavender

Cliddesden, Farleigh Wallop & Ellisfield Horticultural Society The three villages Gardening Club	
Chairman: Steve Bowcutt, tel: 324707, Email: steven.bowcutt@btinternet.com Secretary: Marilyn Smith, tel: 462584, Email: willow.ms@btinternet.com	

Hello from Claire!

Gardening simply does not allow one to be mentally old, because too many hopes and dreams are yet to be realized. — Allan Armitage

I found this quote in one of my browsings on the internet. Since I began to reclaim my garden, a very 'ongoing' project, I have found a child-like delight in watching how things grow. This year, for the first time ever, my tree peony has popped out some yellow flowers. I was thrilled! It's been there for about 5 years and I couldn't remember what colour it was supposed to be. Such joy from something so simple.

What's been happening?

Sunday 12th May 1pm Cliddesden Millenium Hall - Annual Plant Sale

Thank-you to everyone who supported us at the sale. There was a wonderful array of vegetables, herbs, flowering annuals and perennials. In fact, I was sure we were overloaded. However, you all did us proud and the tables very quickly emptied. In total we raised nearly £320, which will go to supporting our lecturers for next year. Thank-you.

Wednesday 22nd May 7.45pm at Ellisfield Village Hall

'Gardens of Russia' – John Baker
The concept of having a 'house in the country' was no new idea for the city dwelling Russians. They had a garden with a summerhouse, and in it they grew vegetables. Because there was nothing on the shelves. Now that the economic situation has improved the need to grow food is less, and the attention has turned to gardening for

pleasure. Colour. Lots of colour. And different shapes and forms of planting. Rather than a tour of the formal public gardens, John's talk showed us into the private gardens of ordinary Russian people. And their warmth and friendship showed through his photographs.

A really fascinating evening, made even better by the hostas that were on sale. We hope to have John back in the future, he talks on a variety of subjects; I think 'Hostas' will be a very popular choice.

What's coming up?

Wednesday 10th July at Ellisfield Village Hall
"Wild Flowers of the Greek Islands" Gerald Ponting

Mr Ponting is originally from the New Forest area, and having spent many years on the Isle of Lewis, now live back in Hampshire. He is a writer, publisher, photographer, and lecturer, and with his wealth of experience we are sure to have a fascinating evening. Members £1, Visitors £2. Tea/coffee and biscuits - donations please. Raffle held on the night.

Sunday 4th August at Cliddesden Millenium Hall

Summer Show

Staging of entries 0920 – 1040

Viewing from 2pm, Presentations at 3.30pm

Flowers, vegetables, fruit, flower arrangements, photographs, and more. Our second show of the year and well worth coming to see the displays. Only members can exhibit, however visitors are welcome from 2pm.

Flowers, vegetables, fruit, flower arrangements, photographs, and more. Our second show of the year and well worth coming to see the displays. Only members can exhibit, however visitors are welcome from 2pm. Tea/coffee and yummy home-made cakes will be on sale, and there's a raffle.

To join the Horticultural Society please contact any member of the committee.

Here's what the RHS says about garden jobs in July:

- 1: Check clematis for signs of clematis wilt
- 2: Care for houseplant while on holiday
- 3: Water tubs and new plants if dry, but be water-wise
- 4: Deadhead bedding plants and repeat-flowering perennials, to ensure continuous flowering

5: Pick courgettes before they become marrows

6: Treat apple scab

7: Clear algae, blanket weeds and debris from ponds, and keep them topped up

8: Order catalogues for next year's spring-flowering bulbs

9: Give the lawn a quick-acting summer feed, especially if not given a spring feed

10: Harvest apricots, peaches and nectarines

I hope that somewhere in amongst all the dead-heading, watering and weeding, you get time to just stop and look around. Take the chance to really 'see' what you've achieved, take pleasure in the colours and shapes of the plants. And if you find something that makes you feel really proud and happy, put a huge silly grin on your face and enjoy the moment!

Claire

Traffic Management on the A339 and around Herriard

As many of you know we have a problem with a minority of car and motorbike drivers, who continue to speed through Herriard. This is often accompanied by excessive noise as motorbikes accelerate.

The Parish has the opportunity to be part of a trial for noise reacting cameras.

Our MP Ranil Jayawardena has started a petition to make Herriard one of the trial locations.

The link to the petition is <https://www.ranil.uk/herriard>

We do need to support this as lots of areas would like these cameras. So please can you encourage friends and family to all log in and support this online at the above link.
