Hi Kevin,

Due to the cost it will need to go to full council. Which is not until 12th May.

Will get back to you as soon as we have an answer.

Best regards

Frank

Hi Frank,

Using your costings for materials plus concrete and mortar and clean shingle for back filling French drain is approximately another £100. Plus digger hire and labour £700. Plus outstanding labour for locating pipe on 9th Feb £300.

Labour £600

Materials/Digger Hire £500

Your costings £432.64

TOTAL £1532.64

Kind Regards

Kevin

Subject: Manhole at Bradenstoke playing Field

Dear Kevin,

I have been given a verbal confirmation that we can put in a new Manhole in the Playing Field at Bradenstoke.

I have attached the plan. The plan is a concrete base with two layers of concrete blocks and then topped with three levels of manhole riser, topped with a manhole cover. I have included a breakdown of materials and where the parts can be sourced(please check my materials for the concrete and mortar)

The council needs a quote for the work. So that we can take it to full council for approval. The next meeting of the council is on the 18th May 21.

I also considered a manhole built from concrete blocks, but the cost saving is probably is not great and it would save time in the construction.

I have a meeting at Bradenstoke with the MOD to discuss access to dig out the ditch at the allotments tomorrow. I am available to meet at most times, just give me a ring.

Best regards

Frank
