

# SUTTON ON TRENT PARISH COUNCIL

## THE NEW VILLAGE HALL AT THE NURSERIES

Five years ago we asked you if you supported the proposal for a new village hall. You overwhelmingly told us you did and that you wanted it to be built in a central location as part of the new Nurseries development. That development has now commenced.

We have a site identified within that development which is ear-marked for our new hall. Parish Council reserves together with a major contribution from the developer (which can only be used for this purpose at the Nurseries) mean we start this scheme with £330,000 already available.

So, now is the time to check back with you. A plan of the proposed hall is shown overleaf. Please take the time to answer the questions below and provide any comments. Your continued support will help us to get the extra funds we will need to accomplish what you have asked us to do.

There will be updates of progress on the Parish Council's web-site including the results of this survey. Just go to [suttonontrent.org.uk](http://suttonontrent.org.uk)

### Your details
