

## BILSTHORPE PARISH COUNCIL

### **Bilsthorne Village Hall Regeneration Working Party Terms of Reference**

#### **Background:**

The current Bilsthorne Village Hall is unfit for purpose and is due to be demolished. The Parish Council looked at various ways to modernise and improve the original Village Hall, but this proved to be financially expensive, with no guarantees that further work would not be necessary.

#### **Terms of Reference:**

Identify any potential collaborative partners to explore all options for a new Village Hall / Community Hub.

#### **Consultation:**

Look at existing sites, e.g: Bilsthorne Miners Welfare building / site to see if there are any areas for agreement or collaboration.

#### **Meetings:**

Meet with Miners Welfare Committee and hopefully CISWO, to discuss any potential opportunities.

Minute all meetings and report back to the Parish Council with recommendations, before any agreements are discussed with outside organisations.

Investigate and feedback to the Parish Council all legal, financial & commercial responsibilities for any joint ventures.

#### **Working Party Members:**
