

PARISH COUNCILLOR SUE FORWARD

WRITTEN STATEMENT

I was born, bred and am firmly rooted, in the claggy, Weald of Kent clay. I've been a resident of Staplehurst for the past nine years. I'm a Granny to three teenage Grandchildren, who fill my heart with love and pleasure.

After serving a year as a co-optee I feel honoured to have been elected by residents to continue serving for a further four years. I still have a heck of a lot to learn, but begin to feel I can have an impact and contribute positively to the Parish Council and our community.

I am now a member of our Finance and Strategy Group; our Employment Group; Planning Committee and Community Enhancement Group. I am also a member of the Road Safety group and Staplehurst Speedwatch.

I shall be giving extra effort to gain maximum advantage for Staplehurst from all our new housing developments and meet regularly with developers on site and at the Parish Office.
