Letters

The Downland Volunteer Group (DVG)

Eight passengers took the DVG Handibus to Stourhead on 23rd May. We made good time despite the bank holiday traffic and arrived at 12 noon. A few of us started with lunch in the cafe and then went on to enjoy the gardens.

I had not realised the gardens and the famous bridge hosted Keira Knightley and Matthew Macfadyen in *Pride and Prejudice* in 2005.

So, where are we going next?

A few changes of dates: **June 15th and 20th to Mudeford Beach and 27th to Marwell Zoo.** Will you join us?

Many thanks, **Gareth**, DVG

The Honey Pot

Fresh Spring Honey Now Available! Just extracted and straight from our Berkshire hives. This is raw, unprocessed honey at its finest.

We only sieve it lightly to keep all the natural goodness like pollen intact – no additives, nothing taken away. This spring honey sets quicker than summer honey, so grab it while it's fresh and runny!

Local. Pure. Delicious.

Your Voice Matters - Help Shape Our Village's Future: The Chaddleworth Community Plan is making excellent progress thanks to the fantastic response from residents at our initial feedback sessions. Your input has given us valuable insights into what you love about our parish, what concerns you, and what improvements you'd like to see.

What You've Told Us So Far: It is clear you love Chaddleworth's peaceful, quiet character and strong community spirit, with many praising the people, The Ilex pub, and beautiful walking areas. Feedback for improvements included introducing a village shop, managing speeding traffic, creating better footpath connections (especially between key village locations), and developing community green spaces. Many have also called for enhanced village hall facilities and better communication about local services and events. We'll use this feedback to support the main Survey in September which we'll need everyone to complete.

What's Happening Next? We're now moving into the second phase of our planning process. Over the coming weeks, we'll be meeting with local organisations and key stakeholders to gather their perspectives before creating a comprehensive survey for every household in the village.

****Important Date Change:**** We've moved our village-wide survey from summer to September to ensure maximum participation by avoiding the holiday period. However,

you'll be able to learn more about our progress at the Village Fete on 21st June where our team will be available to answer questions.

Meet Your Community Plan Team: A dedicated group of volunteers is driving this important work forward: Piers King, Dave Jennings, Gill Hunter, Karen Hoar, Martyn Lisby, Dave Young, Phil Cole, Lee Allen, Issy Bush, Kevin Brady, Rev Mike.

Any of these team members would be happy to discuss the project with you.

Volunteers Needed! As we approach September, we'll need additional helpers to ensure we reach every household in Chaddleworth. We're looking for volunteers to help with door-to-door visits and survey collection.

Why is this important? A strong response rate will demonstrate that our results truly represent the community's views. This gives us the credibility we need with West Berkshire Council and could unlock valuable seed funding to turn our improvement plans into reality.

Get Involved: Whether you want to volunteer, ask questions, or simply stay informed, don't hesitate to approach any team member. Together, we can create a Community Plan that reflects what matters most to everyone in Chaddleworth.

Watch this space for more updates as we approach our September survey launch!

Ready to get involved? Please contact any of the Community Plan Team or email us at chaddleworthplan@gmail.com and let's make Chaddleworth even better together!

Chaddleshworth and Shefford Schools PTFA

(Registered Charity 1190914)

The PTFA started off the summer term with a Bag2school collection. Thank you to everyone who donated their unwanted textiles; we saved 190kg from going to landfill and your donations will instead go on to be reused and recycled.

To commemorate the 80th anniversary of VE day, the PTFA came into school on Thursday 8th May to decorate cupcakes with the children. The children iced and decorated over 100 cupcakes with union flags and sprinkles, to take home and enjoy!

We have lots of exciting events in our PTFA calendar for the summer term!

- ✓ School Movie Night - Friday 23rd May
- ✓ Non-Uniform Day - Friday 6th June
- ✓ Donuts for Dads - Friday 13th June

- ✓ School Summer Fete - Friday 28th June, 12-3pm
- ✓ School Disco - Monday 21st July

Our fundraising efforts this term has the goal to raise £1,800 to go towards a whole school trip to the Cotswold Wildlife Park. This will be a brilliant treat for the children and staff, as well as linking to the learning they have been doing this term. If you are able, and would like to support us, please scan the QR code.

If you would like to help us in other ways, the PTFA would be delighted to have your support for our school summer fete. Thank you as always for your continued support!

Great Sheffield Under Fives

Our “drop in” Monday **Baby & Toddler Group**, run by Debbie and Kathryn, has been busy with many new parents, carers and their very young children. This runs on Monday mornings from 9.30 – 11am for £3 including refreshments for all so please come along with your little ones.

This short half term has ended in glorious sunshine for us all. The children are fortunate to have spent lots of time outside each day, both in the morning in our small garden area and every afternoon at our wonderful park or in the countryside. The daily outdoor learning brings fitness, coordination and strength, love of the countryside and feelings of joy.

They have raced across the fields, collected “treasure” in small bags, paddled in the river, watched the new barn being built, looked around the church and enjoyed the challenging apparatus at the park.

We celebrated VE Day 80 by dancing to Glenn Miller, having our lunch with cups and saucers and making jam tarts. Our music teacher has visited us for a special May Day lesson. We took feather dusters and cloths to spring clean the church one afternoon; it is important to learn to help in the community.

We do have Pre-School spaces in September so if you would like to know a little more about the fabulous opportunities we can offer your pre-school child, please do get in touch or look at the photo **Learning Diary** on our website.

Best wishes, **Denise Herrington**

It has only been a short 5-week term, but wow we have been incredibly busy! This week has been our annual 'Science week' and it began with us linking our Christian value of *perseverance* with the work and inventions of so many Scientists that we are incredibly grateful for! Sully and Eleanor shared a story about Evolution and Change with us all where the children learnt about how the peppered moth adapted and changed over time due to its surroundings and the impact of industrialisation.

Science week has seen collaboration, prediction making, investigation, conclusion drawing and lots of fun too! Thank you to Mrs Chapman for all your

preparation and organisation for such an exciting week packed full of Science!

I hope your bank holiday weekend and half term break are full of lovely things

Chaddleworth Cricket Club

CHADDLEWORTH TRIUMPH AT RAMSBURY IN STYLE

Chaddleworth hit the field first in a 30-over showdown at Ramsbury's stunning tree-lined ground – a batter's dream for lofted shots. But it was all about discipline early on as the Chad boys kept the pressure on with a tight opening 15 overs. *Kieran Clucas* struck early claiming the first and third wickets, while *Charlie Smith* showed safe hands to grab the second off a peach from *Tom Campbell*, who ended with an impressive three-wicket haul.

After a quick refresh Ramsbury began to rally, building steadily through the next 15 over to post a competitive 142. Following a top-notch tea laid on by the hosts, Chaddleworth were ready to chase.

Openers *Steve Turner* and *Stephen Enever* took the first balls before the dynamic duo of *Craig Edwards* and *Jack Barrett* stepped in to take charge. Craig looked strong with a swift 25 before being bowled, while Jack played a composted innings retiring on a well-earned 50. *Ben Barrett* added a valuable 26 to keep the momentum alive. *Charlie Smith* followed with plenty of confidence but found himself out for a duck – thankfully not a golden!

With the game finely poised, *Eddie Campbell* and *Tom Campbell* (brothers in spirit if not by blood) took the reins and coolly steered Chaddleworth to victory in just 18 overs.

Sign up as a *non-playing member* and support our club! You can sign up for £10 (cash) at The Ibex Inn. Please ask a member of staff!

A brilliant all-round performance, and player of the match well deserved by *Kieran Clucas* for his fantastic bowling. A strong statement on the first game of the season from Chaddleworth!

CCC IMPROVEMENTS – Thank you!

We'd like to extend our sincere thanks to all our Life and Vice Presidents, as well as our generous sponsors, for all their kind donations. Thanks to your contributions, we've been able to make some fantastic improvements at the club. Recent updates include enhancements to the wicket, essential maintenance on the tractor, and the purchase of new equipment for the team.

Your support truly is the backbone of our club – we couldn't do it without you. Thank you!

One more thanks...

To the four-legged mowers who did a great job on the outfield!

VE Day Beacon: A night to remember

A massive thank you to everyone who joined us for the VE Day beacon lighting event earlier on in May. The turnout was truly fantastic, with the community coming together to mark this important occasion in true village spirit. A special thank you goes to *Sue Ridgeway* for so graciously hosting the service at the war memorial. It was a moving and memorable event, honouring the bravery of those who served, and recreating the celebration that came along with VE Day. We're proud to have celebrated it with you all!

Dear Friends,

Do you ever have those moments in life when it seems like every conversation is somehow linked together. Like there is a golden thread that connects all of the parts of your life and you find yourself having the same conversation over and over again. That has been happening for me over these past few weeks. At every turn, I seem to be having discussions about volunteers. Needing more volunteers, people wanting to volunteer, people with ideas to start something new if only they could find a few willing volunteers...

This is true in every community. Churches, village fete committees, allotment societies, parish councils, village halls, wherever people gather, volunteers are needed. They are vital!!!

So, if you are already volunteering in our communities, **THANK YOU!** You are making this place where we live better and we all appreciate that!

If you Google for 'Bible' and 'Volunteers' there are a myriad of different passages that speak of the value and importance of using our gifts, talents, experiences, time and resources for the good of others. One I particularly liked was Ephesians 2:10 which says "For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago."

Do you feel like a masterpiece today? God says that you are. Chosen and dearly loved. Gifted with a unique set of talents that only you can bring. I wonder, over this next month, if there is something that would bring you joy and life to get involved with. Anywhere in the community. That's how we change the world. How we play our part in building the Kingdom of God. By being the best version of ourselves and giving what we have for the good of others. Where might you "Join In"? With my love and prayers,

Rev Mike

The Trustees recognise that energy bills have dramatically increased and are set to go up again in the autumn. All applications are always treated with the utmost confidentiality. If anyone is having difficulty in paying their bills and or are in 'fuel poverty' (spending 10% or more of their income on energy) they are urged to contact the Bakers Trust via the Parish Clerk on:

Saunders Wynn and Coventry Educational Foundation

The three named benefactors set up the Trust to offer financial help to further the educational needs of the children and students (up to the age of 25) of the Parish of Chaddleworth. The Trustees meet four times a year with the next meeting scheduled for **August** (date to be confirmed) to consider applications including any relating to the additional costs of home-schooling and remote study for students. Previous contributions have been made towards the cost of school uniforms, books for university courses, specific equipment and kit for courses, and residential courses.

If you wish to apply for funds please contact the Foundation's Clerk, **Heather Murphy**, Tower Hill Cottage, Botmoor Way, Chaddleworth RG20 7EU or email botmoorway@gmail.com for an application form.

All applications are treated in the strictest confidence. Any applications received after this scheduled meeting will still be considered for awards by the Trustees but there may be a delay before awards are made.

At this month's meeting we were treated to a trip back in time as Catherine Sampson gave her talk about 'Berkshire Church Yards'.

Tales both ancient and modern were brilliantly told of the famous and infamous who are buried or been associated with them.

One of the most famous is probably Agatha Christie, whose final resting place in Cholsey Churchyard is marked with most beautiful headstone.

Many spectacular blooms were entered in our monthly 'Single Stem' flower competition and it was difficult to choose a winner!

Our upcoming talks at 2.30pm:

- 11th June – Finding My Family
- 9th July – Garden Party
- 13th August – The Golden Age of Children's TV

You are most welcome to come along to a talk (£4 entry for visitors) or to join us as a member. A very warm welcome from ladies of ALL ages awaits together with a delicious homemade tea!
