CRI include incidents such as Domestic Incidents, where no criminal offences occurred but details of those spoken to/seen are recorded in case of future problems. Adult and Child protection CRIs are also included. Here is where we are informed of vulnerable members of the community we create a CRI and then pass on the details to partner agencies (social services etc). Taking the CRIs away and just leaving recorded crime there was a slight increase in offences. This rise was in part due to multiple burglary non dwelling and criminal damages caused on the Wroslyn Road Industrial Estate.
