5. Clerk to report on matters arising not covered on the agenda. At the November meeting a non-resident member of the public questioned the amount of CIL money received by Atcham Parish Council. Shropshire Council would not respond to his requests for certain information. He asked the clerk to follow this up.

The clerk read out the following statement to the meeting. *The majority of the CIL (Community Infrastructure Levy) collected in Atcham is from the development on land at Weeping Cross, which is part of the Shrewsbury SUE. This development was charged at the URBAN rate. If there is no neighbourhood development plan, the amount of Neighbourhood Fund is limited to 15% of the CIL collected, and subject to a cap of £100 per council tax paying dwelling in the local council area. Atcham hit this cap so the amount of NF received is less than 15%. This is not from Shropshire Council policy, but is set out in the CIL regulations which control the administration of CIL on a national scale.*
