There is no requirement to have a limited assurance review or to submit an Annual Governance and Accountability Return to the external auditor, provided that the authority has certified itself as exempt at a meeting of the authority after 31 March 2019 and a completed Certificate of Exemption is submitted notifying the external auditor.

  - made an application under section 28(1) of the Act for a declaration that an item of account is unlawful, and the application has not been withdrawn nor has the court refused to make the declaration
- The court has not declared an item of account unlawful after a person made an appeal under section 28(3) of the Act.

If you are able to confirm that the above statements apply and that the authority neither received gross income, nor incurred gross expenditure, exceeding £25,000, then the Certificate of Exemption can be signed and a copy submitted to the external auditor either by email or by post (not both)

The Annual Internal Audit Report, Annual Governance Statement, Annual Accounting Statements, an analysis of variances and the bank reconciliation plus the information required by Regulation 15 (2), Accounts and Audit Regulations 2015 including the period for the exercise of public rights still need to be fully completed and, along with a copy of this certificate, published on a public website\* before 1 July 2019. # Mapledurwell P.C.C.

Any sale, therefore, will have to be subject to this lease unless the tenant was agreeable to surrendering her tenancy.

# Land adjoining churchyard Mapledurwell.

This piece of land comprises 3,180 acres and is close to the churchyard at Mapledurwell. It was the subject of a gift by the Misses Thorp made in The land is subject to a restrictive covenant placed on the land for the benefit of the Misses Thorp's properties and this provides that no building or buildings shall ever be erected on the land except buildings or a building to be used in connection with the work of St. Mary Church in Mapledurwell but this restriction does not exclude the P.C.C. from using the land as an addition to the adjoining churchyard.

There is no difficulty in selling this land but it will have to be sold Otherwise the trusts on which the land is held are for general ecclesiastical purposes in the parish.

There is with the Deeds a Counterpart Tenancy Agreement to a Mr. Wright at a yearly rent of £10 but it is possible that this rent has been increased since it was originally fixed in 1961.

I am enclosing a spare copy of this letter which you may wish to forward to Mr. Buchannon,

Yours sincerely,

#### APPENDIX IV.II CHURCH FIELD COVENANT

#### CHURCH MEADOW MAPLEDURWELL

#### 1. Location

Church Meadow, Mapledurwell is a parcel of land comprising an area of 3.180 acres or thereabouts designated 140 on the Ordnance Survey Map (1910 edition). It lies immediately on the South side of St Mary's Church and its walled graveyard. It is delineated by hedgerows, stock fencing and gates. The stock fencing and additional gate on its Northern side is set at some three metres from the graveyard wall to allow the public unimpeded use of the Right of Way which would otherwise run through the field.

# 2. Ownership

For many hundreds of years, Church Meadow was Glebe Land, an area that the ecclesiastical benefice could use to support the incumbent parish priest of Mapledurwell if so desired. On 10 February 1961 it was donated to the Winchester Diocese by Mabel Thorp and her sister Marian in order that the Mapledurwell Parochial Church Council should have management and control of the field in support of ecclesiastical purposes for the Parish.

On 31<sup>st</sup> May 1974, it was conveyed by the PCC to Mr David Clift Hutton and his wife Mrs Hazel Hutton (The Purchasers) in fee simple (i.e freehold ownership) for the price of £8001.

As beneficiary of Mr David Hutton's will, ownership of the Field has passed to his son Mr Alan Hutton.

#### 3. Covenants

The Purchasers jointly and severally covenanted to observe the Covenant contained in Clause 2 of the conveyance dated 10<sup>th</sup> February 1961 and to indemnify the Diocese and PCC from claims or breaches thereof. This conveyance and the clauses it contains have not yet been located within the Public Archives (as at 20 March 2019).

This conveyance was referenced by White, Brooks and Gilman Solicitors (now Blake Lapthorn Tarlo Lyons' in Winchester) in a letter to the PCC on 10 Feb 1972 noting a restrictive covenant placed upon the land that provides that "no building or buildings shall ever be erected on the land except a building or buildings to be used in connection with the work of St. Mary's Church, Mapledurwell. The restriction does not exclude the PCC from using the land as an addition to the adjoining churchyard".

The Purchasers jointly and severally covenanted that the Field in respect of each and every part to benefit and protect the adjoining or neighbouring land of the PCC, whosoever hands the same may come.

The Purchasers (and binding their successors in title) agreed to continue to fence the Field and to provide a weighted gate for the public to enter the field in order to cross it (now delineated as the footpath by the church wall). As demanded, they also erected certain stock proof gates and committed to maintain the hedges in perpetuity.
