THE FÊTE

In a "summer" like this it would seem too much to hope for a fine afternoon on August Bank Holiday. But we got it! - and we were able to enjoy as happy and successful a Fête as any we have had. More than a thousand people who came to it saw the College grounds looking at their very best, a great tribute to the gardeners who this year have had to work under peculiarly difficult circumstances. A large number of people did a great deal of work in the best possible spirit to produce this splendid occasion, and a debt of gratitude is due to them all. The gross takings amounted to more than £263.0.0., and although exact final figures are not yet to hand, this should mean a net balance of well over £200.0.0. Of this £20.0.0. is to go to the Village Hall funds, £5.0.0. to Cancer Research, and the remainder to the Church Restoration Fund. Here are some details in which you will be interested :-

+ + + + +

As in former years, the Vicar and the Curate will spend a day in September sitting under the Lych-gate from 8.30 a.m. to 6.30 p.m. to receive gifts for the Church. This year the date will be

SATURDAY SEPTEMBER 20TH

The Church still urgently needs literally hundreds of pounds for repairs to the tower, which must not long be delayed. PLEASE COME AND GIVE GENEROUSLY THAT DAY.

SUNDAY SCHOOL OUTING

The outing to Lee-on-Solent on Thursday, August 21st, was greatly enjoyed by children and parents alike. In spite of a most inauspicious start in pouring rain we found fine weather by the sea, and enjoyed the sun for most of the afternoon.

Sunday School will start again after the summer holidays on Sunday, September 7th, at 11.15 a.m.

THE SICK

Our sympathy this month goes out in particular to Mr. Davie. He had an operation in the middle of the month, and it is good to be able to record that he is now making a rapid and excellent recovery. Our sympathy, too, for Mrs. Dean of Parkside in her continued sickness. It was hard indeed that she and Mr. Dean should have to celebrate their Silver Wedding this month under these circumstances. Congratulations and good wishes to them both.

At the time of going to press Mrs. Coghlan is also confined to bed,

and we hope that by the time this is in print she will be well on the way to recovery.

Joey Glead, as is well known, had the great misfortune to be bitten by an adder during the Scout Camp in the New Forest. It is good to be able to report that he has now entirely recovered.

ALL SAINTS' GROUP

+ + + + + + + + + +

The All Saints' Group, taking its name from the dedication of the Parish Church, has been formed to provide instruction in the Faith and practice of the Church for those of 11 or 12 years and above.

As from 7th September, the Group will attend the Parish Communion on Sundays at 9.30 a.m., after which there will be light refreshments before instruction in the Vicarage Music Room.

Membership is not limited to those who have previously attended the Sunday School; and those wishing to join the Group may apply to the Parish Clergy.

Programme for 7th, 14th and 21st September :-

"Understanding the Parish Communion"

The Dramatic Society would like to thank everyone who gave so generously to make the Jumble Stall at the Fête such a success. They would also like to thank the children, Rosella Carney, Marion Rees, Hazel Washington, and Jennifer Luker, who helped to collect things beforehand.

As last year, all remaining garments were given to the Famine Relief Centre in Oxford.

SCOUT TROOP

----- oOo -----

To say the least, this year's Summer Camp was memorable. Nobody is likely to forget Joe Gleed's adder bite, nor that three out of the six days suffered from long periods of rain. Both were far too unpleasant for that to happen quickly, although it seems that by now both have been recovered from fully. We also spent part of one afternoon proving to our own satisfaction how easy it is to walk through thick woodland in a semi-circle, without being aware of it.

There were some pleasant things, of course. The occupants of a house some sixty yards or so away relieved us of any necessity of digging latrines, a relief which only those who have had to dig them can fully appreciate. Our trip to Lymington to visit the snake bite also allowed us to spend some time watching part of a regatta; despite rain the visit to the Isle of Wight made a reasonable last day - and Colin Keen gained his Second Class badge! We were grateful, too, to the Vicar and former Scoutmaster Edward Walker for generously providing transport to and from the camp respectively.

Troop meetings resume on Thursday, September 4th.

The Group Committee meets again on Tuesday, September 16th.

Keith Huxley.

Fund. The remainder will go to Church funds. Detailed accounts are

R.I.P.

+ + +

Harry Wilkinson passed suddenly to his rest on August 10th, after a short illness, and was buried at Cuddesdon on Wednesday, August 12th. For him we can only be glad that he was spared suffering, and that his passing was speedy and peaceful. All our sympathy must go out to Mrs. Wilkinson in the shock and loneliness of this unexpected bereavement. May God sustain and comfort her at this time.

Apologies are due to our readers for the absence of an inset from the August magazine. They will appreciate that this was due to the Printing Strike.
