## Village Hall News

Sad to say, our dance last month had to be cancelled due to low ticket sales – perhaps it wasn't what you wanted, or was just a date when you weren't free. Perhaps you'd let me know. I'd be interested to hear what sort of thing you *would* support at the Hall, be it something we've done before or something new. Do email me ([pilborough@grifty.plus.com](mailto:pilborough@grifty.plus.com)) with your thoughts.

Our next event is the **Christmas Quiz on Saturday 7 December** (see advert below). This has always been successful in the past and, at the time of writing, there are still some tickets available so why not get a team together and come along? Or just come along and join a team on the night?  
It's always fun!

The quiz will be our last event before Christmas but in the New Year we plan to have another themed 'food' evening. Those who came to the French Evening will not have forgotten it I'm sure, and we hope to repeat the success with, perhaps, an Italian extravaganza to cheer up the dull months after Christmas. Look out for details in subsequent editions of this magazine.

Meanwhile, if I don't see you at the quiz, enjoy the festive season whatever you may do.

## **Grafty Gourmet**

The perfect Boxing Day ham. This sweet and savoury combination is a modern classic.

### **Christmas Coca Cola Ham**

3kg unsmoked gammon from the thick end of the leg, deboned and rolled.

4 litres cola

1 onion, halved

2 star anise

6 black peppercorns

15 cloves

4 tbsp clear honey

1 tsp cinnamon

1 tsp ground ginger

1 tbsp soy sauce

1 tbsp English mustard powder

2 tbsp Demerara sugar

1. Place the gammon in a large deep pan and cover with cold water. Bring to the boil, then drain. Return the gammon to the clean pan and pour over the cola, topping up with cold water to cover if necessary. Add the onion, star anise and peppercorns.

2. Bring to the boil, then turn down the heat, cover with a tight-fitting lid and simmer for 3 hours or until the ham is cooked through. Remove the ham from the liquid and leave to cool. (Discard the liquid.)

3. Preheat the oven to 200°C/fan180°C/gas 6. Once the ham is cool enough to handle, carefully remove the skin using a small, sharp knife, leaving a good even layer of fat. Score the fat in a diamond pattern and stud each diamond with a clove.

4. Mix the remaining ingredients (honey, cinnamon, ginger, soy sauce, mustard powder and sugar) and brush generously over the ham. Put it in a tray and bake for 20-30 minutes, basting 2-3 times with the leftover glaze, until fabulously sticky.

## **Lenham Valley Business Association**

Lenham Valley Business Association would like to wish all your readers a very Happy Christmas and a Successful New Year. If any non members are wondering how they might improve profit in 2014 then come to a networking meeting free to see if you like it!

**Alan Reading, Chairman**

## **News From The Boughton Malherbe History Society**

As previously announced we have been working for some time on our second book covering the history of Boughton Malherbe. The book will be a follow on from "A journey Through Time" and we believe it will be even more interesting.

We can now confirm our intention to publish the book in December 2014 in time for Christmas and to distribute a free copy to every household in the Parish with a surplus for general sale to those who want extra copies and to anyone outside the Parish. Publication will depend upon securing adequate finance and any donations will be gratefully received.

The cost will depend upon quantity and we already have some advance orders without commitment, even though we cannot yet work out a sale price. However, advance orders will help us to decide on how many books to print, hence if anyone would like to add their name to the list of prospective purchasers with the number of copies they might want please contact Ron Galton, preferably by Email to [galtonweeks@gmail.com](mailto:galtonweeks@gmail.com) or by phone to 01622850369. Final details will be announced in due course.

## **Ulcombe C of E Primary School News**

First of all I would like to introduce myself, my name is Emma Hickling and I am the new executive Headteacher of Ulcombe C of E Primary School. I took on this position after half term, when the school entered into a collaboration with Kingswood Primary School. I was already the Headteacher of Kingswood Primary school.

I am delighted to be working with the staff and pupils at Ulcombe , and we have already made several changes which are having significant impact. Our main areas of focus for the next few months, will be improving teaching and learning to ensure that all pupils make at least good progress. This will be alongside ensuring that the attendance of the pupils at the school is meeting the national targets.

Working together in a collaboration with Kingswood Primary School will ensure that both schools continue to move forward, under the leadership of one executive Headteacher and two assistant heads. A collaboration also helps to ensure the sustainability of small village schools.

If you are interested in learning more, or have a child of school age living in the area, please do not hesitate to contact me at either school.

I look forward to meeting some of you in the future.

## Maidstone Household Waste Recycling Centre at Tovil

Further to my previous email I can inform you that the Maidstone Household Waste Recycling Centre (HWRC) will be reopening at **08:00 on Monday 9<sup>th</sup> December 2013.**

Although most of the works have gone to plan, there have been some technical difficulties associated with the building of the retaining wall, hence the later than planned re-opening date of 9<sup>th</sup> December 2013.

We apologise for the delay in the re-opening of this HWRC and any inconvenience this may cause.

## News from Platts Heath Primary School

Life here at Platts Heath Primary School continues to be a mixture of events, celebrations and opportunities for our wonderful children.

As always our children are polite, well behaved and eager to learn in and out of school. Here are some of the activities and events they recently took part in,

### **Junior Road Safety Officers (JRSO's)**

After the success of our Road Safety training for Year 2&3 last year we now have three Junior Road Safety Officers (JRSO) in school.

James, Millie and James went to County Hall in Maidstone for a conference with other JRSO's. They listened to different proposals and voted on road safety issues for children and schools. The chosen themes this year will be:

**'Be vis'** - why you should **be visible** when out walking to and from school in the dark winter months.

**'Seatbelt Safety'** - why wearing a seatbelt at all times protects YOU and others.

**'Helmet safety'** - why you should always wear a helmet when on a bike, skateboard or scooter.

The JRSO's will be running competitions and taking assemblies to talk about these themes throughout the year.

### **Battery competition!**

Our school came **SECOND** out of all the schools in Kent who took part in collecting used batteries for a recycling challenge. We were awarded £100 to spend and the new School Council were given the task of deciding what to spend it on. They have bought some new playground equipment for our active break times and are now deciding on what to spend the remaining money on.

### **Healthy Eating**

The school continues to provide the KS2 children with a healthy break-time snack, funded by the PTFA, on Munchy Mondays and Fruity Fridays. KS1 children have the opportunity to eat fruit every day.

### **Silence in Court!**

Our Year 5 and 6 children recently had a visit from a local magistrate who explained the judicial system and what happens when someone breaks the law, from arrest to sentencing. Once again our children were praised for their engagement, behaviour and probing questions.

## **Christmas**

As we enter the month of December so our thoughts turn to the more traditional events and celebrations. Christmas at our school is always a magical time. The children have started bringing in decorations for our Christmas tree, cards for their classmates and producing some fantastic displays for the corridors.

## **Christmas Fayre**

Our School Christmas Fayre took place on Saturday 30<sup>th</sup> November. All the usual favourites were there – the bottle tombola, the secret room, Father Christmas, carol singing, X-Box challenge and the new favourite – the chocolate tombola! A big thank you to the residents of Platts Heath who, as always, have donated very generously with bottles and gifts for our various stalls.

## **A Victorian Christmas**

Our Year 2 and 3 children recently visited the Museum of Kent Life to experience Christmas in Victorian times. They took part in parlour games, experienced Christmas in the Workhouse, made Lace cards and learnt all about Victorian Christmas traditions. The children had a full and fun packed day and have begun to write about their adventures back at school.

## **Open afternoon – Thursday 12<sup>th</sup> December**

On Thursday 12<sup>th</sup> December we welcome prospective parents and pupils for the September 2014 intake to come and sample an afternoon in our school. This is an ideal opportunity to view our lovely school and see all that Platts Heath Primary School offers its pupils. If you would be interested in coming along please contact the office to add your name to our list.

Please feel free to visit us at any time, simply ring the office on **01622 850316** to make an appointment to visit our spectacular school. I look forward to meeting you and I wish you all a Merry Christmas and a Happy New Year.

## **Boughton Malherbe Hoard**

Collections Manager  
Maidstone Borough Council  
Maidstone Museum & Bentlif Art Gallery,  
St. Faith's Street, Maidstone, Kent, ME14 1LH

21<sup>st</sup> November 2013.

To the people of Boughton Malherbe,

After a long wait for funding to come in to place I was at last able to pick up the Boughton Malherbe Bronze Age Hoard from the British Museum this afternoon.

This very important hoard is now at Maidstone Museum where it will be catalogued, photographed and eventually displayed in the Archaeology Gallery.

The acquisition of the hoard would not have been possible without the help and sterling efforts of the people of Boughton Malherbe who raised the crucial last £200 required to buy the hoard. It may not sound like a huge amount of money but without it we would not have been able to draw down any grant money, as all of the grant making bodies insist that private contributions must be raised.

Therefore without you all buying calendars and thereby supporting the cause - it wouldn't have happened. So thank you.

I plan to bring the Hoard to Grafty Green Village Hall for you all to see, sometime in the New Year.

Thank you once again,

Giles Guthrie,  
Collections Manager,  
Maidstone Museum.

## THE 10 BEST.....

Sunday after Sunday I open the Travel section of the newspaper and find headlines such as:

- \*\*the 10 best ski slopes
- \*\*the 10 best pubs in Ireland
- \*\*the 10 best hotels in Corsica

Really? How do they know? Have they visited them all? So I thought about Grafty Green, a much smaller canvas. Small enough for us to have an opinion based on knowledge. So here's a start on

## The 10 Best Things in Grafty Green

- \*\*fish and chips in the King's Head,
- \*\*the village shop and post office
- \*\*the village hall committee
- \*\*the gardening club

- \*\*the Garden Centre
- \*\*Yoga classes
- \*\*Short mat bowls
- \*\*the Parish Council

That's a start. There's room for more! Email the editor or me ([jdrrury23@btinternet.com](mailto:jdrrury23@btinternet.com)) with your suggestions.

## Christian Message - December

This summer we became grandparents. That event is of course significant for us and for the parents. But there is a deeper meaning that we don't really understand, that we can only grasp at, sensing that there is more. Just one of the things it does is remind us of the miracle of new life, of birth. It also reminds us of the fragility of life. It's an astonishing thing.

Sometimes the most astonishing things can only be understood when we allow all of our being to acknowledge them. So with our grand-daughter. She *smells* new-born; she *feels* so soft and tender; she *looks* so small; she *weighs* next to nothing in our arms; she *sounds* .... well, she sounds like a baby! She is astonishing.

Christmas, too, is astonishing. Not just because of a new birth, but because of so much more. Christmas has inspired music, dance, poetry, prose; we see the lights that promise something, smell the aromas of fruit, pine and spices; all point us to sense that there is more: something *other* – *someone* – to whom we are drawn. Christmas *is* astonishing.

It's astonishing because prophets 600 years before the birth were convinced that something like this would happen: they foresaw a birth, a life and the suffering. Many of the Jewish prophets had expected a messiah, one who would come to set things right, one who would suffer, one who would be a bridge between God and man.

It's astonishing because this Jesus, whose birth as light of the world we anticipate through advent and celebrate at Christmas, fulfils so many of those old Jewish prophecies. It is he who came from God to enter our world, join us in our suffering and show us a way to live; but more than that, to make us the offer of a life with God that he himself called "life in all its fullness." Not life without suffering or pain, but life with God, life that is fulfilling and purposeful, not lost, uncertain or directionless.

Not least, it's astonishing because it's still with us, 2000 years later.

At the threshold of this flickeringly gorgeous time – quiet in heart and mind, clear-eyed, we sense Immanuel, God with us, here.

Take time this Christmas to treasure the astonishing truths of this story of new birth, to seek and to find this treasure who was a baby but who now offers peace, reconciliation, love, forgiveness, the love of God surrounding and enclosing us.

Happy Christmas!

**Rev. Dick Venn**

## Walk through the Old Testament

It's not every day that you see a large group of mature men and women spending two weekend afternoons studying the Bible. Nor do you often see mature people making large gestures with their hands and arms to help them remember what they have learnt.

But this is what people from churches in the Len Valley Benefice (Boughton Malherbe, Harrietsham, Lenham and Ulcombe) and Boughton Monchelsea, spent a weekend in November doing – thoroughly enjoying the experience, and learning as the afternoons went on.

The Bible, of course, is the most widely published book in the world. It is estimated that it sells 100 million copies a year, and has been translated into no less than 2018 languages. The first translation into English was made by John Wycliffe in 1382.

The Bible contains 39 books in the Old Testament and 27 books in the New Testament. It is the basis book for our Christian faith, while the Old Testament is the basis of the Jewish faith. The Bible is the most widely quoted book in the world, and has had a major influence on history and literature, yet many people seldom read it, and many more are only familiar with parts of it – particularly the New testament.

The course being studied that weekend was called 'Walk through the Old Testament.' Under the expert tuition of Carl Palmer we learnt about the structure of the Old Testament. First, we were introduced to the first five books of the Old Testament – Genesis, Exodus, Leviticus, Numbers and Deuteronomy, then to the next 12 books – the Books of History. We learnt that this history stopped with the book of Esther – and then there were 400 years of silence before the birth of Christ.

Running throughout this period of history, the books of poetry – Job, Psalms, Proverbs, Ecclesiastes and the Song of Songs – were written.

We then turned to the prophets – the major ones: Isaiah, Jeremiah, Lamentations, Ezekiel and Daniel, and finished with the twelve minor prophets, ending with Malachi.

Throughout the two sessions, we were taught gestures to help us remember the sequence of events. We had to imagine Harrietsham church floor as a big map of the area. By the end of the sessions, we knew where all the places mentioned in the Old Testament were – Ur, the Euphrates and Tigris rivers, Haran, the Sea of Galilee, the River Jordan, the Dead Sea, Jerusalem, the Mediterranean, and Egypt.

All who attended the course thoroughly enjoyed it. Many came away saying they had learnt so much and understood much more about the Old Testament and its relation to the New Testament, and how God was working throughout.

The presentation was very professional, and we were all given an excellent booklet to accompany the course. We would highly recommend it.
