**NOTE:** Andover Royals have been paying £25 per game and GR is assuming they are not paying VAT.

However, in order to avoid VAT teams need to pay up front for 10 games. Andover Royals payments are therefore subject to VAT and we are only receiving **net £20.83** per game.

**They should either pay £25+VAT like everyone else, or pay the next 7 games in advance to allow council to take VAT off all 10 games.**

**Broughton FC have played 2 games, but no pitch fees have been received.**
