

Detectorists Theme (v1)

Johnny Flynn

Stumming Pattern: D-du

Intro: [C] - Count in on 4

[C] Will you search through the lonely earth for me
[F] Climb through the briar and [C] bramble
I'll be your [G] treasure

I felt the [Am] touch of the [C] kings and the [Am] breath of the [C] wind
I knew the [Am] call of all the [C] songbirds
They sang all the wrong [G] words
I'm waiting for [Am] you
I'm waiting for [C] you

[Am] Ooooh [G] oooh [C] ooooh [F] ooooooooooh
[Am] Ooooh [G] oooh [C] ooooooooooh
[Am] Ooooh [G] oooh [C] ooooh [F] ooooooooooh
[Am] Ooooh [G] oooh [C] ooooooooooh

[C] Will you swim through the briny sea for me
[F] Roll along the ocean's [C] floor?
I'll be your [G] treasure

I'm with the [Am] ghosts of the [C] men who can [Am] never sing [C] again
There's a [Am] place follow [C] me
Where a love lost [G] at sea
Is waiting for [Am] you
Is waiting for [C] you

[Am] Ooooh [G] oooh [C] ooooh [F] ooooooooooh
[Am] Ooooh [G] oooh [C] ooooooooooh

[C] Would you drift o'er the rolling fields for me
[F] Hoard me in the highest [C] bough
I'll be your [G] treasure

But in [Am] history's [C] rhyme there's a [Am] place and a [C] time
and a [Am] truth to the [C] gold
that the folds cannot [G] hold
I'm waiting for [Am] you
I'm waiting for [C] you

[Am] Ooooh [G] oooh [C] ooooh [F] ooooooooooh
[Am] Ooooh [G] oooh [C↓] ooooooooooh
