

# GREENHEAD PARISH COUNCIL

Meeting on 20<sup>th</sup> September 2021

## Approved Minutes

	<p>2. Station Road – More No access signage required. There are still a number of vehicles driving down this road and then having to turn around. Members are not sure if Sat-Navs direct drivers this way. If there could be more visible signage before the entrance to the road – when it is too late to turn around easily without having to continue, it may alleviate the situation.</p> <p>3. Lighting along link road from A69 Junction. As you turn off the A69 this road has no lighting. Members are aware that thurst stretch may be under Highways, but could lights be placed further along.</p> <p>Members also asked if Greenhead could be considered for an electric charging point at some time.</p>

# GREENHEAD PARISH COUNCIL

Meeting on 20<sup>th</sup> September 2021

## Approved Minutes

	<b>PROPOSED Cllr B Mason</b>	<b>SECONDED Cllr M Wood</b>	<b>AGREED</b>
	<p>Cllr Maxted suggested designing a letter/certificate as a recognition of any volunteer work by a resident. Members thought this a good idea and perhaps using a council logo. It was agreed to ask the school if they would like to run a competition to design a logo that the council would use. If the school are willing to do this the council will offer prizes of booktokens and judge three entries at the next meeting.</p> <p>The logo could then be used on any documents, signs and possible business cards.</p>
