Dear Sir,

Re : Track alongside Myers Playing Field

This track has fallen into bad disrepair and Myers' committee say they have no money with which to repair it. The money £650 paid by each of the Bowls Club, Cricket Club and Football Club only goes towards cutting the grass on the field

The holes are so bad that drivers are very concerned about the effects on the suspension of their motors when entering the Cricket Club or the Bowls Club.

If there anything you can do to assist Myers in repairing the track ?

Yours faithfully,

Ivy J. Tinker (Mrs)

Hon Secretary
