

Development Managers Report to the delayed 2020 AGM  
Saturday 10th April 2021

What a season 2020 turned out to be.

Everything was in place for our County wide open day on 2nd May. Posters had been approved for printing and banners were about to be ordered. I held off from ordering these and within a few days we all found ourselves in lockdown.

On a positive, we did manage to hold the U18's open singles competition, which was held at Ashcombe Park. I must say a massive thank you to Ashcombe for the way they had Covid protocols in place, we also had 7 county umpires there to act as markers and umpiring. There was a good number of supporters all social distancing, it was like a mini National Leamington.
