## WEST ILSLEY EMAIL

We haven't yet resolved the problem but we seem to be coping. We still have the old list of village houses to which a paper WIN used to be delivered, and we're using this to work through and send one email per household with a request that they forward it around their other residents. One shortcoming is that anyone whose house isn't on the original delivery list won't be getting an email, so if you have chums in the area who you know have added themselves on to the email list (Farnborough, East Ilsley and other villages) please forward anything you do receive from WIN to them until we are fixed.

## CHRISTMAS GREETINGS

A huge West Ilsley **thank you** to everyone who put their greetings in the WIN and contributed to a fantastic total of **£480** for the Church.

## ALL SAINTS CHURCH, WEST ILSLEY

### December Services at All Saints' Church

4 <sup>th</sup>	Family Communion	9.30am
11 <sup>th</sup>	BCP Communion	8.30am
18 <sup>th</sup>	Carol Service	6.00pm
25 <sup>th</sup>	Christmas Family Communion	9.30am

Please see the lych gate notice board for details of other services in the benefice or go online at [www.eastdownland.org.uk](http://www.eastdownland.org.uk)

### Christmas Services

There will be numerous services around Christmas in all nine churches in our benefice, including All Saints', and you are warmly invited to attend any of these. Very soon the Benefice Christmas card will be dropping through your letterbox with details of all the services on it.

### All Saints' Carol Service

Do join us on Sunday 18<sup>th</sup> December at 6pm for our annual Carol Service, which will be followed by mince pies and mulled wine. The collection this year will be split between two charities: a local charity and the Church Urban Fund, which works in the community to change lives and communities, by building trust and respect, especially where there is poverty, poor relationships or community tensions. If you would also like to bring gifts of small toiletries (travel size), individual sachets of coffee and hot chocolate and tea bags, we will donate them to the Mothers Union

project which provides items for families with sick children in the JR hospital.

### Remembrance Day

As always, we congregated in the churchyard beside the War Memorial to commemorate those from West Ilsley who died in the two world wars. After the Reveille from the bugler, we assembled in church to continue our moving Remembrance Service. The collection of £220.50 will be sent to the local British Legion.

### Tidy Up for Remembrance Day

Thank you to you lovely people who turned out on a wet November day to clear the churchyard of leaves and to give the inside of the church an extra clean. Also, many thanks to the providers of refreshments which were very welcome on such a miserable day.

### Date for your Diary

**Saturday 4<sup>th</sup> February 2017** – Winter Warmer.

Write the date in your diaries now!

### Contacts

If you have anyone or anything specific you would like mentioned in church prayers at services throughout the year, do speak to either Ian (281625) or Alexandra (281306). To receive by email a copy of the weekly pew sheet, which contains readings, prayers and notices about church events in the benefice, please contact the East Downland Benefice Office on eastdownland@btinternet.com or phone 07957 458107 and leave a message. The office is usually open on Thursday and Friday mornings and can be contacted in the first instance for information about baptisms or weddings. Revd John Toogood is now back from sabbatical and can be contacted on 01635 247566 or email him at edownlandrector@gmail.com  
*Kay and Ian Fewtrell-Smith*

Please bring items to the carol service on Sunday 18 December to donate to the families with children in the JR hospital: Kind regards Alexandra

### JR Hospital Project Items required for 2016

**Toiletries** – Anything from soap, shampoo, shower gel, toothbrushes and toothpaste. **All** sizes are welcome and the small bottles supplied by hotels are very useful

**Coffee** – individual sachets only please

**Chocolate and Horlicks** - individual sachets only

**Tea bags** – not necessarily individually wrapped so larger boxes are very acceptable

**Small packets of biscuits** – the ones with two or three biscuits only please

**Magazines** – No more than 5 from each branch please and not more than 2 months old. **Soap powder** (for machines)

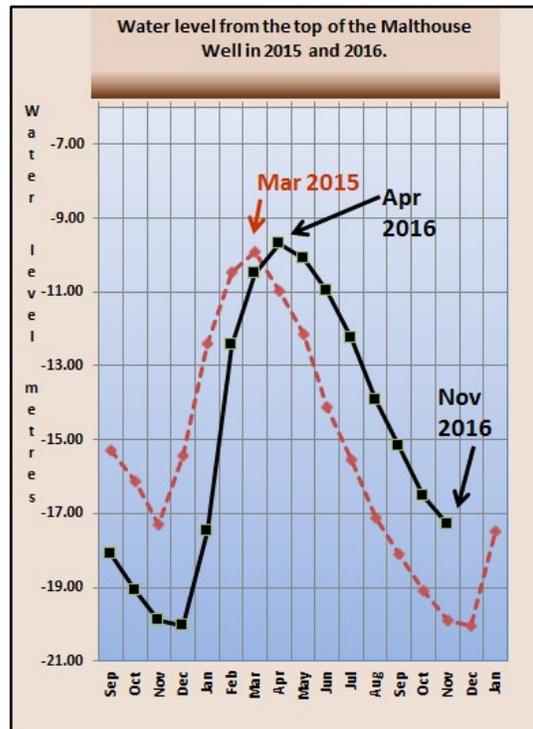

**Sink cleaner** etc **Air freshener**

### MALTHOUSE WELL

As expected the Malthouse well readings have fallen steadily over the summer and at the end of November the groundwater level is now around 17.3 metres (56.8ft) below ground level.

Interestingly there was no effect on the groundwater level following the flash flood we had after the tremendous thunderstorm in the early hours of 9<sup>th</sup> September when an astonishing 70+mm rain fell in just a few hours. Other than that our September

rainfall was pretty average, and this was followed by one of the driest Octobers in the last 50 years. However, November has been average and so the groundwater level is still dropping by around 150mm (6 inches) per week at the moment.

With our very best wishes to everyone in West Ilsley for a Merry Christmas & Happy New Year  
**Avice & Alan**

Merry Christmas and a Happy New Year!

### WEST ILSLEY FIREWORKS

5<sup>th</sup> November 2016.

The Village Hall Committee organised a very successful bonfire night with a huge bonfire and impressive fireworks - complemented with a BBQ and refreshments on the Recreation Field. The clear evening drew the crowds and the event made a healthy profit towards Village Hall funds. Thank you for all who came and supported us and gave so generously into the bucket. The fireworks were bought from donations from the Village Fete committee, The Harrow and Mick Channon to whom we are very grateful.

Thanks to the Carlisle family for allowing the use of their land and for their invaluable help. Also to the

### COUNTRY NOTES

November 2016

It has been a particularly colourful autumn but the mid month gales have done their best to strip the trees of their leaves. Some cling on longer than others, particularly in the hedgerows where bright yellow elm leaves still provide a splash of colour. These hedgerow elms are remnants of the once magnificent trees that for millennia graced and defined the southern English landscape, the landscape of my childhood. They stood in rows in every hedgerow, and as specimen trees thirty metres tall in the middle of fields, elms were as quintessentially English as the oak. Their branches the home of rooks, the hollow

trunks housed nests of jackdaws, owls and stock doves. Their twisted, close grained timber, provided seats for chairs, stocks for cart wheels, water pipes for the Romans, planks for coffins, piles to raise Venice above the mud of its lagoon and foundations for the Old London Bridge that resisted the Thames tides for 600 years. Ravaged by Dutch Elm disease in the nineteen seventies, thirty million died, changing the landscape for ever. But some retained the ability to propagate themselves from root suckers and these are the ones that still appear in the hedgerows, they will live for around fifteen years reaching a size when they will attract the attentions of the elm bark beetle which will "infect" the tree with the deadly Dutch elm fungus which will "strangle" the tree to death.

## THE ILSLEY EVERGREENS

Towards the end of October, we travelled to the popular Wiltshire Market Town of Devizes, with its many inviting shops and restaurants.

There has been a change in venue for our final coach outing of the year, which took place just a few days ago. Instead of going to Bath for its Annual Christmas Market as previously intended, arrangements were made to go to Salisbury for that city's similar attraction.

Anyone who would like to join the Evergreens to take advantage of our monthly coach outings, please contact Julia Rockall on 01635. 281597.

Plans for our Christmas Lunch at "The Hare and Hounds" at Speen, near Newbury on Thursday, 15<sup>th</sup> December have now being finalised. Coach travel is free to members.

On behalf of the Evergreens, I would like to wish all our members and friends a very Happy Christmas and New Year. Grateful thanks to our Committee and particularly to Julia and Mary for organising our outings, our Christmas Lunch and their work associated with the pending Christmas Extravaganza. Thanks also to Tony for all his hard work in raising funds for the Evergreens by running the Bingo Sessions that have been held several times during the year at Compton Village Hall. Tony has also done so much in arranging trips to the New Theatre, Oxford over the past year and has also contributed a great deal in regard to the planning of the Christmas Lunch. Many thanks to the West Ilsley Show and Fete Committee for their support.

We start again with our Annual General Meeting in February, 2017.

Jim Hughes, Secretary Tel. 01235 834487

## 250 PEOPLE ATTEND REMEMBRANCE IN COMPTON 13<sup>TH</sup> NOVEMBER 2016

The Compton, Ilsleys & Norreys Branch of the Royal British Legion (RBL) this year held its Remembrance Sunday parade and service in Compton on a bright, cold and sunny morning. The branch rotates the event, on an annual basis, around its catchment downland villages.

Those parading, RBL members, Youth Groups and supporters, assembled in the Compton Swan car park under the direction of the Parade Marshal and Branch Chairman Mr Steve Allison, and then marched to the church led by Pipe Major Ian Knight and RBL branch standard bearer Mike Crockford.

The service started around the War Memorial located in the church grounds, led by the branch chaplain Rev Clive Jones. The Exhortation was spoken by Mr Julian Jeffs and the Kohima Epitaph by Mr Peter Whitworth. The names of the fallen were read out by the branch secretary, Mr David Norbury TD. A two minute silence was observed at 11 o'clock with the Last Post and Reveille being played by trumpeter Miss Aimee Jones. Wreaths were then laid on behalf of the RBL by branch member Mick Hall. Further wreaths were laid by representatives of local parish councils and youth groups.

The service continued inside the church with the lesson being read by County Councillor Virginia Von

Celsing and address being given by the Rev Clive Jones. The event was very well attended with many of the congregation having to stand – an estimated 250 people. After the service the parade reformed to return to the Compton Swan via the new plaque under the village notice board commemorating the centenary anniversary of the Battle of the Somme where Parish Council member Ian Tong laid a wreath. Next year, the branch's parade and service will be held in Hampstead Norreys

The officers of the branch would like to thank all those who supported this successful event and to thank villagers in all our downland catchment villages for contributing so generously to the Poppy Appeal this year by wearing their poppies with pride. Our Poppy Appeal Organisers (PAO's) in each village work tirelessly to collect as much as possible for this charity and the branch thanks them very much. We will report the total collected from our area in my next update.

Finally, and not least, the branch would like to compliment those in our youth groups and their leaders for attending our Remembrance event in such numbers and for being so very smartly turned out - you can rightly be proud of yourselves.

And as always a recruiting note – do come and join us! You do not have to be ex services (or a senior citizen!) to join the RBL but only supportive of the charity's objectives of looking after the serving and ex-serving community. The membership annual subscription is small at £17. To join, please contact one of the undersigned. Steve Allison tel 07812 991013 email [steveallison1888@aol.com](mailto:steveallison1888@aol.com) or David Norbury TD, tel 07770 326128 email [davidnorbury@btinternet.com](mailto:davidnorbury@btinternet.com)

### West Berkshire Council Sandbag Policy

1. This document sets out West Berkshire Council's policy regarding the supply of sandbags during an emergency flood event.
2. Householders and business owners are responsible for protecting their own property. **West Berkshire Council does not have a statutory duty to provide sandbags** nor is it our policy to do so. However, the Council does have permissive powers in relation to flood defense and maintains a limited supply of sandbags for use to primarily to protect vulnerable residents (*residents who as a result of age, disability or illness they are unable to take protective actions to safeguard themselves or their property*). During a severe flood event, we will not be able to meet every request for sandbags, however we will handle all enquires sympathetically but in strict accordance with the following priorities:
  - a. To prevent loss of life or serious injury (supply and placement, subject to health and safety considerations)
  - b. To maintain access for emergency services (supply and placement)
  - c. To protect vital facilities within the community e.g. care homes, schools, surgeries (supply only)
  - d. To protect Council buildings (supply and placement)
  - e. To safeguard vulnerable individuals (supply and placement)
  - f. To support local partners (supply only and recharge costs)
3. The Council will consider providing help to residents who are in imminent danger of flooding where resources allow. However, we will not supply sandbags as a precautionary measure based on forecasts. Requests from commercial premises owners will only be considered in very exceptional circumstances and a charge will be made for any assistance that is given.
4. Where sandbags are provided the following conditions apply:
  - a. No guarantee can be given that sandbags will be delivered within a specific timescale.
  - b. The council will not accept responsibility for the quality or effectiveness of sandbags provided by the council.
  - c. All requests for sandbags will be assessed in terms of the health and safety of the crews making deliveries and the availability of personnel to produce sandbags.
  - d. Members of the public will not be allowed to collect sandbags from the council's depot.
  - e. We will supply sandbags free of charge on a needs basis. However, once issued the sandbags are deemed to become the property of the householder or receiving organization. West Berkshire Council will not accept responsibility for the collection and disposal of sandbags although exceptions will be considered where householders are elderly or disabled.
  - f. Sandbags will not be provided to protect gardens, garages or other outbuildings
5. The Council will encourage people to make their own enquires for sandbags in advance of a flood event by contacting local suppliers such as builders merchants where they can purchase them or possibly have them delivered.
6. The Council will continue to support and encourage householders and businesses to develop flood action plans to prepare in advance of flood emergencies and flood warnings.
