Aim:

To recommend a ***CIL Policy*** for prioritising projects and allocating funds.

Objectives:

Consult with residents through the Council Annual Report in March 2021:

- prepare an article about what the levy is, when and how it is collected and distributed, how funds may be spent and the potential implications for residents;
- include a 'Call for Need'.

Compile a list of projects for consideration and prioritisation with regard to:

- Council 4-year Plan
- Standing Committee Action Plans
- Battle Civil Parish Neighbourhood Plan
- Suggestions from residents (Call for Need - above)

Design a process for decision making regarding how BTC CIL funds should be spent.

Period of operation:

The task will finish when a CIL Policy is recommended to F&G (expected date - May 2021)

* One Member may represent more than one Standing Committee e.g. Environment & ER&TD
