

#### Agenda Item 6.1. Update on CIL Reporting to Wealden

Once the CIL Monitoring report for 1<sup>st</sup> April 2019 – 31<sup>st</sup> March 2020 has been approved, it needs to be sent back to Wealden before 31<sup>st</sup> December 2020.

I have distributed a copy of the report to all Members of the CIL Committee.

Wealden have confirmed we are not missing any previous CIL Monitoring reports.

Section (d) does not apply to Warbleton. This section needs to be filled in if the Parish had received notice from Wealden regarding spending funds on incorrect items or if there has been a failure to spend CIL funds within the appropriate time-frame.
