

Zig Zag Road Closure January 2016

We received this information from The National Trust on 14th December 2015:

For reinstatement of the roadside verges, half of the Box Hill Zig Zag Road will be closed for the week commencing 11 January during working hours, (those working hours are yet to be determined, so lets say 08am to 6pm to be on the safe side). Passes will be issued to authorised traffic. Emergency services will be allowed to pass through under blue lights.

Wednesday 13 Jan will be our official annual Road Closed Day when the Zig Zag Road will be closed to all unauthorised traffic for 24 hours. Passes will be issued to authorised traffic and emergency services granted access under blue lights.
