memorable performance in 2004. Details of timings and tickets available soon – this is not one to be missed and tickets will go fast.

The **Sponsored Run, Walk, Ride, Cycle** returns on 13 May. Masterminded once more by the energetic Scrivens the course will take in the beautiful sights of the West Ilsley downlands. The unmissable **Plant and Cake Stall** will take place in the churchyard on 14 May between 10.00 and 12.00. ## NEIGHBOURHOOD WATCH Fred Carter

Distraction Burglars – often known as bogus callers – are responsible for a distressing crime often aimed at the more vulnerable members of society. These people's actions can have serious consequences on the quality of life of many victims.

They will use every trick known to get into peoples houses and rifle through their possessions – taking everything of value that they can find. Bogus callers can appear to be very credible. They may claim to be utility workers, council officials or even Police officers. They are particularly persuasive and articulate and can easily talk there way into peoples homes. Current research shows that older people are their main target.

How can I stop them?

There are a few simple steps you can take to keep bogus callers out and prevent yourself being taken in by their act.

When answering the door **STOP** and think, are you expecting anybody.

**CHAIN** – put this on before opening the door, this will enable you to keep control of the situation.

**CHECK** – ask for their identification card, take it and look at it carefully. Close the door and call any organisation involved if you are not sure. Find the numbers you need on your last bill or in the telephone book.

**If you are in any doubt don't let them in.** If you have refused to let them in and they don't go away, call the Police.

### Remember

Try not to keep lots of cash in the house and keep things like your pension book, savings book, cheque book and cards well hidden.

Most utilities and service staff will make an appointment prior to coming to your house and should not turn up unannounced. If somebody unexpected, who you don't know comes to your house do not let them in until you are absolutely sure they are genuine.

If you have concerns about a suspicious caller please contact the Police, even if the caller has left your house, as they may be calling on other houses in the area. This includes unannounced callers who claim to be carrying out property repairs. Note down a description of them, and note any registration number of any vehicle or vehicles being used.

#### **Suspicious callers**

If someone suspicious calls at your home, even if you do not let them in, **telephone the Police on 08458 505505 immediately**. Your information could be vital in stopping a crime.

If you feel you are in any danger ring 999 – it is an emergency if a crime is being committed or is about to be committed or if there is a risk of serious injury.

**Update from the Neighbourhood watch office:** On 24.3.06 in the Hungerford area at 8.30am a white male in his sixties with a clip-board called at a private house claiming to be from Thames Water. He wanted to go inside the house to complete a survey. The home owner checked with Thames Water and found there was no such survey

**CHILDREN'S CHURCH,**  
**ALL SAINTS CHURCH**

#### **Afterschool Service**

In March, by kind permission of David and Jane Carlisle, the children had a chilly but wonderful trip to Folly Farm to see the newborn lambs. Our heartfelt thanks go to David for giving up so much of his time to tell the children about the different lambs and to Jane for her generosity in opening her house and providing such delicious refreshments after the visit. The Mums in particular were immensely grateful for a hot cup of tea in order to face the elements on the walk back home! We hope it didn't take you too long to clear the crumbs after the locusts had descended Jane!! As always, the children thoroughly enjoyed

themselves and only one or two had to be checked to ensure no cuddly lambs returned with us!

#### **Mums and Tots (for the very young and their carers)**

There will be no meeting in April due to the Easter holidays. We will be meeting at the Peasemore Rectory on **Thursday 4 May** from 10am-11.30am. This is a casual get together where the children can play and sing and the Mums get to have a chat and a coffee.

If you would like more information on either of these services please contact Denise Brown on 01635 281825 or Liz Dray on 01488 638749.

### **Holy Week Activity Morning** **Wednesday 12 April** **10am – 12pm** **West Ilsley Cricket Pavilion**

Our April afterschool service will be replaced by an activity morning suitable for 3-10 year olds (younger siblings also very welcome). We will be making wooden crosses, rosary beads, hunting for eggs on the cricket pitch and listening to the story of Holy Week. Places will be limited to 25 and can be booked by telephoning Alison Banks on 01635 281705. We will be asking for a suggested donation of £2 per child and ask for children up to 6 to be accompanied by an adult. Please also provide your child with a packed lunch as we end the morning with lunch together.

**WIN WALKS** walking in the  
neighbourhood Fred Carter

Two circular walks starting from Aldworth...4½ or 6½ miles (Map O/S Explorer 158).

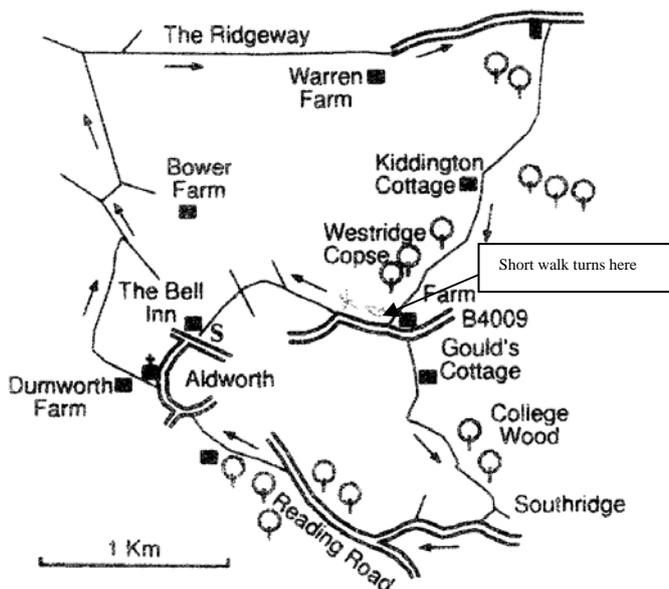

A chance to visit St Mary's Church and see the famous "Aldworth giants".

Start from near the Bell Public House and walk towards the church. Just beyond the churchyard turn right along a track. Now ignore a path on the left and continue past Dunworth Farm. Just after the farm the track bears right and soon you are heading for the Downs: on reaching a T junction turn left along a lane. After 250 yards, turn right, downhill along a track signed Warren Farm. At a track junction bear left along the main track and continue until you reach a T junction. Turn right along the Ridgeway following it as it gradually descends

towards Streatley. After about a mile you will reach the entrance to Warren Farm, Here the Ridgeway becomes metalled, continue ahead for another ½ mile then look for a house on the right called 'Wynders'. Just past the house turn right along a footpath. Level at first the path starts to ascend gradually between hedgerows then through open fields. At Kiddington Cottage bear left around the front of the cottage and follow the path uphill through Westridge Copse to join the B4009.

The shorter walk turns right here. Follow the road through Westridge Green to reach a sharp left hand bend. Here go straight ahead, passing a post box on the left. After passing the last house on the left the track becomes gravelled: after 200 yards turn left along a path across the middle of a field. At the far side go over a cross track, through a gap in the hedge, and bear left across the next field. At the far corner continue along an enclosed path to reach a road. Turn right to return to the Bell Inn.

The longer walk turns left here, then after about 100 yards, turns right down a metalled track. Where the metalled track turns left towards Gould Cottage, go straight ahead along an ascending track between hedgerows. Where the track turns right into a field carry straight on through a narrow strip of woodland. The path bears right, crosses a small opening and then ascends through College Wood. At the top go through a barrier and bear right to reach a footpath junction. Here turn right along a bridleway following it to reach a road. Turn right along the road for 700 yards (ignoring the footpath on your right hand side) to reach a road junction. (Reading Road) Turn right along the road signed for Aldworth and after 700 yards turn left along a metalled road going diagonally left, go past the houses on the left (Fayleys Farm) to reach the B4009 turn left then almost immediately right to return to Aldworth.

## ILSLEY UNDER FIVES Amanda Knight

This coming Wednesday (29 March) we have organised a treat for the toddlers at the Village Hall at our usual time. We have hired a small bouncy castle and committee members will be raiding their garages to bring along a ball pit, tents, tunnels and etc. So, if you have not been along to toddlers for a while or are new to the area this might be a particularly fun session to re/introduce your child to the group.

Our first session after the Easter break will be 19<sup>th</sup> April. A new rota for setting up duties and details of forthcoming events has been produced and copies are available at each session. Alternatively, Katharine Young will be happy to e-mail you a copy if you contact her on [katharineyoung@supanet.com](mailto:katharineyoung@supanet.com).

Ilsley Under Fives Toddler Group meets on Wednesday mornings: 10:00 am – 11:30 am in West Ilsley Village Hall (term time only). We have heaps of toys, ride-ons and a baby area for the littlest ones and tea and coffee for the parents/carers. New faces always welcome! For further details please contact me (281609) or Katharine Young (281539).

## THE WEST ILSLEY CAMP OUT WEEKEND 17/18TH JUNE

Following last year's success, the Village Hall Committee is planning to run the Camp Out again. This is an afternoon of activities for all the children, centered round camping and located in nearby woods, followed by a camp out over night. Children can be left for the daytime, but an adult and tent is required for the sleep over. We camp within 1 mile of the village.

More details to come.....but book the date and your adult now!!!!

## FETE UPDATE

The date of this years' fete is Sunday 9<sup>th</sup> July. The majority of the attractions are now organised and there should be something to please everyone.

We are pleased to announce that we will have a fun dog show this year and children are encouraged to bring along their pet dogs. Further details will be provided nearer the time.

We have booked a brass band and a children's entertainer and we will be providing an extended range of side show games for you all to enjoy.

The pre-fete dance will be held as usual on the Saturday evening and is being run by the cricket club. As the Football World Cup and Wimbledon finals are being held on the day of the fete, we are

trying to arrange a special event to cover the occasion. Watch this space!

Don't forget to start preparing your entries for the produce show. The categories will be published again next month, but are available from last month's WIN if you go to the West Ilsley web site. There has been a big increase in demand for seed potatoes for the potato growing competition. The idea is to produce the heaviest weight of potatoes from one seed potato grown in up to a 30cm diameter pot! Two children won the competition last year.....You can collect a potato from Gordon and Karen at Tanglewood or we will deliver (281876). If you should find a potato on your doorstep, please plant it and don't make chips! The men only competition is to make scones. The current scone champion Russ Brown is hoping to win again and claim the prize, so see if you can snatch victory from his floury hands! We will be running the competition for the best garden and best hanging basket as usual, and there will of course be cash prizes.

We need your help! We would like some more volunteers to run some side shows. We are also looking for donations of bric-a-brac, books, bottles, raffle prizes and crockery for the very popular crockery smashing stall. Does anyone have a hamper to donate that we could fill with items for a raffle prize? If so, please contact any of the committee members:

## THE BIG BOOST

The Big Boost provides a rare opportunity for individuals and small groups of young people to access financial support to get their ideas off the ground. At the Scarman Trust South East we want to make sure young people and their communities in

this region get the boost they so often need to make their ideas into thriving projects.

The Big Boost will fund a huge range of different projects and The Scarman Trust, together with our partner organisations, will offer tailored support to help make young people's ideas a reality. In order for a project to be eligible it must:

- Be led by a young person aged between 16 and 25
- Be for the benefit of the community
- Be a learning opportunity for the young person/people involved
- Be a new project or a development of an existing one

Projects can last for a short or long period of time and can be based on anything from arts to animals, music to new media, history to horticulture, as long as they benefit a form of community.

We would like to hear from any young person who has a project idea, or from anyone who knows where a Big Boost could make a real difference to a young person's project. Pick up the phone and give me a call, or drop me an email to discuss your idea or find out more about how to make an application. You may also like to look at the website [www.bigboost.org](http://www.bigboost.org) before getting in touch. I look forward to hearing from you soon,
