[REDACTED],

I am sorry to hear you have been unwell with Covid, my own experience of this was not good, so I sympathise.

I will include your idea on the agenda and see what the Council say and if they want to explore things further or not etc.  
Thanks for clarifying the situation.

Best regards,

Richard Bishop

Hi Richard,

I haven't looked into anything like prices etc. I've had covid so not done anything about it. It was just an idea I had but it's not something I can do myself. If the council wants the idea they can have it. If not no worries, Thankyou for getting in touch and I apologise for not getting back in touch

Best regards

Just last call on the Council agenda, are you able to give me the additional information requested? I am trying to finalise the Council agenda by close of business tomorrow, if you could just let me know – many thanks..

Best regards,

Richard Bishop

[REDACTED],

I acknowledge receipt of your e-mail and attachment regarding your proposed Howard Carter memorial near the Buttercross. I can include this as an item for the Full Council agenda on 10<sup>th</sup> August, but will require further information from you as follow: -

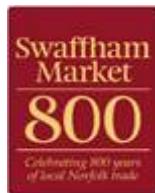

1. Is this proposal a fully funded donation to the town? Or an idea you wish the Town Council to consider funding? If it is the latter, have you had any ballpark costings prepared?
2. Similarly, with maintenance/watering etc, is this commemorative planter to be watered/maintained by Town Council staff and taken on as a Town Council asset under their insurance?
3. Is this proposal in addition to, or as an alternative to, the memorial tree and plaque agreed for Howard Carter at the War Memorial site, at their July 13<sup>th</sup> meeting?

I will be preparing the Full Council agenda by close of business on 3<sup>rd</sup> August, if you could provide answers to the above by then, I would be grateful – many thanks.

Best regards,

Richard Bishop

Hi Richard Bishop,

I was told to send you over the proposed idea I had for a Howard Carter memorial near the Buttercross in Town.

It's a bit Heath Robinson but the best I could come up with. The wooden plaque would be situated by the Sarcophagus and I believe you can now have a plaque printed with a QR code

added which I thought would be good to scan and it tells you a bit of history of Howard Carter.

I look forward to hearing from you with your opinion in due course,

Best Regards
