## *It's All Change*

After 7 1/2 years of getting the village newsletter to our doors and inboxes, Richard Good is stepping down as editor of our newsletter.

The newsletter began as a result of the original Parish Plan in 2011 and was one of the first things embarked upon by the Swinton Community Group.

Since the first edition in September 2010, Richard has taken the helm and prepared each newsletter with the help of all the regular contributors, but he has now decided to take a well-deserved break!

Swinton Community Group would like to say a huge thank you to Richard for all his work, it has been very much appreciated by all.

So, it is with a certain amount of trepidation (!) that from the next edition I will be taking over from Richard.

As a relative newbie to the village I'm not as familiar with things that are going on so will need your help please! I'm looking for anyone who might be interested in helping in anyway or by providing a regular contribution.

This could be a quick update from your club or group in the village, you may have an interest in wildlife or gardening and would be able to give us a snapshot of things to look out for or do in our gardens during that season, or you may be a young person living in the village

who would like to make a contribution from your perspective?

This would be a great opportunity to develop new skills, meet new people or help you achieve an award you might be working towards.

The possibilities are endless and there is lots of flexibility so please drop me a line if you are interested in getting involved in any way, or if you have any ideas about what you might like to see in your newsletter!

I'm also keen that we continue to try and get the newsletter out as quickly and easily as possible so would love to see our email distribution list grow. If you are currently receiving a hard copy through your door and would like to swap to an email version, or if you would like more email addresses in your household adding to this list so everyone gets a copy, please just let us know by dropping us an email with your details to [swinton.newsletter@gmail.com](mailto:swinton.newsletter@gmail.com)

Don't forget, if you would like to drop me a line about any of the above or if you have any ideas or suggestions I can be contacted on [amythomas1@hotmail.co.uk](mailto:amythomas1@hotmail.co.uk). I look forward to hearing from you....!

Amy Thomas

#### OPEN GARDENS SCARECROW TRAIL GARAGE SALE SUNDAY 9 JULY 2018

We have had little interest in the above event, only one scarecrow promised so unless we have a better response from this newsletter we will have to cancel this event.

Please contact me if you are interested.

#### ACTIVITIES FOR CHILDREN

Last year we sent out a mini questionnaire to residents of the village which asked them to comment on various aspects of life in the village.

One of the comments was more activities for children; however an appeal for help in running events for children, such as a village sports day or disco has not produced any positive responses, so perhaps the need is not as widespread as indicated.

Any comments or suggestions re this article will be welcomed.

#### PLANT STALL, PUB CAR PARK SATURDAY 9 JUNE 9 – 12

Last year we held a very successful Plant Stall, despite the appalling weather which raised over £100 for village activities.

We are planning to repeat this event and hope some of you will be able to provide some plants for us to sell; these can be brought on the morning or we can arrange collection.

Please contact Jan on 696544 or email.

## Amotherby Village Hall

Volunteers from Amotherby have been busy over recent weekends, cutting back the footpath edges along the Malton road to widen the footpath to its proper width. Towards Swinton had been done and we hope this will make the path to school safer for children. Towards Appleton will be carried out over the coming weeks. A litter pick along the four roads radiating from the crossroads was also carried out by volunteers and over 30 bags of litter collected, mostly sweet wrappers, crisp packets, bottles

and cans, obviously thrown from cars, but a few larger items as well. The churchyard at Amotherby is looking wonderful at the moment with masses of spring flowers, primroses, daffodils, narcissi and violets. Do have a look if you can, it is Swinton and Broughton's church too, but be careful if not on the path as the rabbits are digging holes everywhere. The Churchyard Conservation group (who maintain the old part of the churchyard) and the grasscutters who help with the

Cemetery and newer part of the churchyard are looking for more volunteers. Please contact Nige Ballard [amotherbypc.chair@btinternet.com](mailto:amotherbypc.chair@btinternet.com)

If you would be willing to help occasionally.

There is an informal Interactive Family Service, involving storytelling for all ages, at Amotherby Church on the 1st Sunday of every month at 10am. Everyone is welcome, not just children and parents.

### Vehicle's

Over the last couple of days, we have had 2 vehicles broken into in rural beauty spots in the Helmsley area. Can I please remind people not to leave valuables on show in your vehicle, Either leave them in the boot of your car or leave them at home or take them with you.

On Saturday 3rd March at 19:05 occupants of a white Luton style van broke the lock off the gates of a commercial premises on Horsemarket road before stealing 2 calving gates and making off. The van was parked on Horsemarket road as the offenders gained entry and CCTV shows people in the area.

Officers have stopped a transit van FX54 NZB earlier today. The rear of the van had a large amount of lead in the rear. It is thought that that the lead may be from a church or similar sized building. If you are a custodian, owner of such a property could you please check or could you please pass this on to someone who is. We are also interested in any sightings of the van.

NYP are requesting extra vigilance in the Ryedale area. A vehicle has been spotted near Old Byland heading towards Helmsley and is said to contain lurcher dogs and four males. These males have been seen on land with these animals and it is suspected that they are poaching. The vehicle in use is a black Ford Ranger with a registration plate of NA09UPC.

### Scam's

#### HMRC

Please be aware of the latest scam, do not respond to phone calls regarding HMRC, stating that a 'LAWSUIT' or 'COURTCASE' is in place to collect monies owed and requesting that you contact 'press 1 to talk to an advisor' and asking for your National Insurance Number. Do not give personal details. If in any doubt contact the HMRC using their official website and report to [actionfraud.police.uk](http://actionfraud.police.uk)

#### Flight Ticket Fraud

Fraudsters are attempting to entice victims who are looking for cheap flights abroad. Victims have reported booking tickets via websites or a "popular" ticket broker, only to discover that after payment via bank transfer or electronic wire transfer, the tickets booking references received are counterfeit. In some cases, all communications between the company or broker and the victim have been severed. Fraudsters are targeting individuals who are seeking to travel to African nations and the Middle East, particularly those wishing to travel in time for popular public and

religious holidays.

### Phantom Debt Fraud

Action Fraud has recently experienced an increase in the number of calls to members of the public by fraudsters requesting payments for a "phantom" debt. The fraud involves being cold called by someone purporting to be a debt collector, bailiff or other type of enforcement agent. The fraudster may claim to be working under instruction of a court, business or other body and suggest they are recovering funds for a non existent debt. The fraudsters are requesting payment, sometimes by bank transfer and if refused, they threaten to visit homes or workplaces in order to recover the supposed debt that is owed.

In some cases, the victim is also threatened with arrest. From the reports Action Fraud has received, this type of fraud is presently occurring throughout the UK.

It is important to recognise that there are key differences between the various entities who seek to settle debts or outstanding fees in England and Wales. These differences range from the type of debt they will enforce to the legal powers they possess. To learn more, please take a look at some of the helpful information and links on the Step Change Debt Charity website:

We are very much looking forward to starting the Summer Term with new Children and new Staff!!!

The Playgroup has two new staff joining the team a very warm welcome to Natasha Heseltine and Leanne Brookes, both girls are very well qualified and have good experience working in the early years.

We also welcome new children Isla, George, Bella, Benjamin, Henry and children joining us later on Thea, Nancy, Teddy, Imogen lily and Lola Mai.

We are also very fortunate in that we have a new and exciting Committee team who are very dedicated and we now feel the Playgroup has a very

bright and positive future to manage all our new ventures.

We are still working hard in our venture to obtain funding for our new permanent basis . We have been successful in two applications and we are well on our way to creating our dream room for the present and future children at Swinton Playgroup.

The Spring Term has seen a whirl wind of adventures, Chinese New Year festivities with a Chinese New Year Banquet, World Book Day in which we were featured in the Gazette and Herald looking at our favorite books.

We have been busy planting our garden , growing potatoes, planting primroses and

creating lovely flowers and clay pots for our mother's Day presents and of course exploring the snow and ice in our garden!

We have looked at Spring themes and had some baby lambs that came to see us at Playgroup. Also we had a honey comb which was very kindly given to us to look at and of course eat.

The children have made some wonderful crafts, and enjoyed a visit from the Easter bunny who left lots of lovely Easter buckets of eggs for us all.

A fabulous busy Spring Term and an exciting Summer Term ahead.....

## *Swinton and District Excelsior Band*

The players and committee members of the Swinton and District Excelsior Band

Sixth place at the North of England Championships has ensured our continuing presence in Section 3 for at least another year meaning the contest season has ended well. And we can now concentrate on preparation for the summer concert season.

Both bands have already taken on a number of engagements starting on April 18th - 21st when members of the Senior Band are joining forces with the Easingwold Band for a 4-night run of the stage version of the film 'Brassed Off'. This is to be held in the Galtres Centre in Easingwold with tickets available from the Galtres Centre website.

The Training band kicks off its season on the May bank holiday weekend with the Rogation Sunday open air service being held at

Broughton Manor opposite the sports centre at 3.00.

The following day the band will be appearing at the Slingsby Maypole day. Other venues we will be visiting include Burnby Hall gardens and Filey Band-stand.

A full list of venues where you can see both bands will be published shortly.

Please be aware we are currently experiencing problems with our website so please look at our Facebook page where we will be publishing our concert list as soon as it is complete or contact us directly for more information.

We are currently looking to recruit a couple of experienced players to strengthen our line-up. So, if you are an experienced baritone, Eb bass or solo cornet player don't be

shy, contact us now you will be made very welcome.

All other experienced players will also be very welcome.

If you are not so experienced or a complete beginner wanting to learn or if you have played in the past and fancy having another go after a break we will always find room in the training for you.

We provide free tuition and instrument loan and a great range of musical and social events.

For more details or if you want to book the band for a function please contact the Band Secretary on 01653 696417 or

e-mail [tpopham1@yahoo.co.uk](mailto:tpopham1@yahoo.co.uk)

You can also speak to any band members at our concerts.

Regards,  
Steve.

Just would like to say a massive thank you to all our customers new, old, regulars and one timers ! The support you have shown us since we took control of the pub has been brilliant. We are getting very busy for meals over the weekend periods, with the sun yesterday came lots of visitors wanting meals and unfortunately we had to turn lots of people away because we could not squeeze in any more places !!

Our orangery extension is still a few months away yet which should about double our seating capacity.....so.....until then can you make sure you give us a call and book in !! We hate having to turn you away !!!
