

To consider who should attend the HALC virtual conference and to approve costs.

HALC hope that by providing a morning conference and an evening conference on two different dates, there is an option to suit everyone and many of the same topics will be covered in both conferences.

The tickets are priced at £40 + VAT per person. Once a ticket is booked, HALC will contact the delegate to note the workshops that will be attended.

The workshop options for each date are listed below:
