

## Best Kept Village Competition 2019

A village which wins its Section for 3 years in succession will retire from the competition for the following 2 years and receive the Fenwick Award for outstanding achievement. The award is an engraved brass plaque which the village retains. It is named in honour of Miss Anabel Fenwick, who introduced the competition to the county in 1950 and organised it for thirty years.

### BEST KEPT VILLAGE COMPETITION JUDGES SHEET

<b>Name of Village</b>	FARNSFIELD
------------------------	------------

The purpose of the competition is to reward villages that have made the best of what they have. Villages should not be penalised for what they may not have, such as up-market mansions or scenic vistas or some of the features listed below. For example, a village pond will not in itself earn extra marks, but, if there is a pond, the standard of its upkeep will be considered in arriving at an overall score. Litter should be penalised from the point of view of whether it appears to be left lying.

Below is a list of factors amongst those that may be considered. One ✓ against each of the four headings below
