

## Bobbing WI Annual Report 2019

Bobbing WI seems to be going from strength to strength! We have welcomed many new members and are still receiving enquiries. This is a very positive place for us to be.

We have debated resolutions, listened to some very entertaining members who told us everything about their lives, been bewitched by an 'impossible to guess how did she do that' magician, celebrated our birthday with a fish and chip supper and attended several shows at the Marlowe Theatre! How have we managed to fit it all in?

On top of all this happening in Bobbing Village Hall we are also lucky enough to be able to take part in some wonderful outings organised by our Federation which have included gardens, Witch Hazel walks and many more. Celebrating with other WI's their birthdays or Harvest Suppers enables us to share our enjoyment with like-minded women. To hear Jerusalem sung in The Royal Albert Hall gives you a spine chilling exhilaration when we attend our annual meeting there.

It is our members who make our WI what it is and if anyone you know would like to come and try us out we would be delighted to see them. We are very famous for our catering!
