## News from St. Nicholas Church

**Ploughman's Lunch:** We thank Sylvia Close for holding a Ploughman's Lunch at her home on 23<sup>rd</sup> January. We all had a most enjoyable time and raised £150 for Church Funds.

**Illustrated Talk:** Our planned illustrated talk by John Collins with finger buffet supper on 23<sup>rd</sup> February has had to be postponed. We are hoping to hold it later in the year.

**Morning Prayers** at St. Nicholas will be on 12<sup>th</sup> and 26<sup>th</sup> February at 9.30am.

**Village Coffee Morning** will be held Ash Wednesday 13<sup>th</sup> February 10.30-12.00

**Lent Lunches:** We are planning to hold Lent Lunches again this year. The first will be on the 20<sup>th</sup> February at Ivy House Farm, Liverton Hill where Joan will be pleased to welcome you. The second is on 27<sup>th</sup> February at Bowley Oast, Sandway where Sally will be your hostess.

We invite you to arrive at 12.00pm and the Lunch finishes at 2.00pm. We serve a choice of soups (usually more than one helping) with fresh bread and a cup of coffee or tea to finish. Entry is by donation. The monies collected will be sent to Christian Aid as our yearly contribution instead of holding a house to house collection in May.

**Ash Wednesday:** Lent begins with Ash Wednesday on 13<sup>th</sup> February. A service of Holy Communion will be held at St. John the Baptist Church, Harrietsham at 7.30pm.

**New Kitchen and Toilet:** Work is almost finished on the improvements at St. Nicholas. The toilet is finished except for a baby changing facility, which will soon be in place. The West Door needs to be draft proofed and there are one or two small items which remain to be done in the kitchen.

The removal of four pews and repaving the floor space, which their removal necessitates, now needs to take place. The pews concerned are the three front and the small one by the font. This will give more space, enabling the Priest to conduct weddings, funerals and baptisms without being cramped (as it is at present). For instance: families will be able to gather round the font for a baptism more easily and there will be a bookcase for the hymn books.

**Lent Courses** will be held again this year called Guides and Guards (Mysteries of Faith). Watch notice boards for venues and times.

## Grafty Green Village Hall News

On 9<sup>th</sup> February we have our little 'soiree gastronomique Francaise' but all tickets are now sold. There's always a chance of some being returned, of course, if early bookers are now unable to come, and Robert Turner (850325) is the person to contact if you have tickets you can't use or if you wanted to come but thought you'd left it too late.

In my article in January, I said we would be offering something old and something new by way of entertainment in the Hall this year. The French evening is something new for us (well, new to most of us – those villagers who remember the Napoleonic wars remind me that a French evening was run once before) but our next offering is to be that perennial favourite, the **Beetle Drive!** The date for this is Saturday **20<sup>th</sup> April**. I will let you know in next month's magazine how to get your tickets.

Then, in May, we plan a *really* special evening! We hope to have a professional comedienne with TV appearances and international performances on her C.V. These people are notoriously tricky to pin down, but we are negotiating with her agent and the prospects currently look good! More details nearer the time.

Finally, if I may be allowed a little self-publicity, my band "Group Therapy" is playing at The White Horse, Sandway, on Friday 1<sup>st</sup> March (the nearest to Grafty Green that we've yet played) so why not come along and heckle? The pub serves excellent 'throwing veg' as well as good beer and wine. Expect pop songs from the early 1960s to the present day.

Hall Committee Chairman

## County Councillor Jenny Whittle report for Malherbe Monthly

The recent snow has battered our roads and a number of potholes have emerged recently. Kent has nearly halved the time taken to fix a pothole from an average of 25 days in 2011 to just 14 days last year. On top of this improvement, safety critical defects are often made safe within the same day. We are now about to embark on a countywide blitz to tackle an expected rise in potholes following the recent severe winter weather. Under "Find and Fix", gangs tackle

every fault they find, rather than just those that are safety-related, typically carrying out up to six times the amount of work than would normally be done. The pothole campaign will be launched immediately when the weather conditions are suitable and I will work closely with the Maidstone Highways Team and the Parish Council to ensure that Broomfield and Kingswood's potholes are repaired quickly. It follows previous "Find and Fix" action, where Kent invested in high-quality road repairs, then protected this investment by sealing and surface-dressing the roads – an approach backed by the Automobile Association.

I have taken up concerns about the **no.59 bus service** relating to the age and quality of the vehicles and poor timetabling that gave users of this service insufficient time in Maidstone to do shopping and enjoy leisure time before boarding on the return bus. I took this up with Arriva and the 1320 service from Grafty Green to Maidstone will be reintroduced and a commitment to upgrading the service with new double deckers as from March which will enable those in wheelchairs and mobility vehicles to travel comfortably. KCC put additional funding in this service which was under threat as it is rightly considered to be vital provision in an area poorly served by public transport.

I have had a request from the Parish Council to install a weight limit sign on Headcorn Road and deter HGVs from using Liverton Hill. County Councillors receive a £25,000 annual Member Highway Fund to spend on such schemes; my allocation for 2012-13 is already fully committed. If I am re-elected at the County Council elections on 2 May, I pledge to fund this signage from the 2013-14 fund to enhance the quality of life of local residents (the County Council goes into a "purdah" election period from 25 March until 2 May when the fund cannot be spent).

I hope this is helpful. Please do contact me if you need my help (Tel: 734897; email: [jenny.whittle@kent.gov.uk](mailto:jenny.whittle@kent.gov.uk), address The Cottage, Sutton Street, Bearsted ME14 4HP).

## Parish Emergency Plan

The committee set up to produce an Emergency Plan has now met for the first time. This is a community project initiated and supported but not run by the Parish Council which has only one representative on the committee.

The committee comprises

Ron Galton (chairman) Tel. 01622 850369 E-mail [galton@gotadsl.co.uk](mailto:galton@gotadsl.co.uk)  
Pat Anderson Tel. 01622 858350 E-mail [europa.13@btinternet.com](mailto:europa.13@btinternet.com)  
Chris Wheal Tel. 01622 858100 E-mail [cwcancare@aol.com](mailto:cwcancare@aol.com)

### **If anyone else wishes to join us they are very welcome**

The emergency services would normally deal with emergencies but in exceptional situations local organised backup could prove a vital asset if activated via an Emergency Plan. Such a plan could also prove valuable when the emergency services are not involved or unable to attend quickly enough or at all. All parishes are being encouraged to have an Emergency Plan.

One of our first tasks is to identify local residents who are willing to be called upon to assist in an emergency. If anyone is willing to volunteer their services, particularly if they have skills or equipment that might be of benefit in an emergency would they please get in touch with any member of the committee.

An emergency could be anything from being cut off by snow to a plane crash and the resources we have in mind to be able to call upon during and even after an emergency are:

Anyone with special skills (e.g. first aid, counselling)

Anyone with a 4x 4 vehicle and /or special equipment (e.g. tree and / or metal cutting equipment, tractor, generator, temporary lighting)

Anyone prepared to help with welfare (e.g. preparing refreshments, giving comfort, helping in the emergency centre)

Anyone prepared to be a general helper and assist in any way upon request.

Anyone with a facility that could help emergency services (e.g. a pond or a swimming pool to supplement the fire brigade water supply)

We would also like to hear from anyone who may be elderly or with a disability, might feel at risk in an emergency and appreciate support. This could simply be a phone call to check you are OK or having a few groceries or medication delivered if you cannot venture out for several days after a heavy snow fall. For you that could be an emergency. The information you provide will be completely confidential and only available to the Emergency Plan Team.

An emergency plan can only work with the help of community volunteers, so please come forward and volunteer. All we need is your name, tel. no, E-mail address and what you can contribute. We hope that our plan will never need to be put into action, but not to have a plan when needed could be a disaster.

**Thank You.**

## **News from Ulcombe Village School**

### **Ulcombe's Growing Population ... of Snowmen**

January has seen an exciting and eventful start to the year with the weather being at the forefront of our thinking. The snow certainly provided us with a topic of conversation as the month progressed. Many found getting about difficult, though all of the staff were in school everyday, even when only half of the children could make it. This is a tremendous testament to the determination of the staff team to do their best for the children in Ulcombe.

Our topic for Term 3 is Food, Glorious Food. With that in mind we were delighted to welcome the Billingsgate Seafood School to Ulcombe. Read on to find out what the children did and what they learnt.

January is also the month when parents have to select their school places for children starting in Reception in September. Important information is below.

### **Don't Tell Dr Who!**

Anyone who saw the Christmas edition of Dr Who may have been slightly alarmed by the increasing number of snowmen across the School Field in January. Alternatively, on-lookers may have hoped to see Raymond Briggs's Snowman or Snow-dog come to life and fly over the village.

Thankfully all of these can remain in the imagination. The population surge was simply down to children having fun in the snow during their break times. The children, of course, learn by being out in the snow in many ways. Just making a snowman's body is a science experiment on its own, but the children also learnt how to take care of themselves in cold, wet and slippery conditions. Whilst the snowmen may not last, we hope the lessons learnt will always remain with the children, helping them to remain safe and well.

### **Billingsgate Market Comes To Ulcombe**

Billingsgate Market is the largest inland fish market in Europe. On Friday 25<sup>th</sup> January the market came to Ulcombe in the form of its own Seafood School. We were very grateful to the Billingsgate team for coming to see us while our topic is 'Food, Glorious Food!'

The children were encouraged to think about how fish gets to our plate so we can enjoy a delicious, healthy meal, but still leave plenty for the next generation. There was some hands-on work, as well as the chance to taste foods such as prawns, a smoked mackerel dip or a fishy roll. We hope all of the children enjoyed finding our about a source of food which has always been so important to our island nation (not just as something to go with chips).

## **Ulcombe Goes To Morrisons**

Also as part of our work on the topic of food, Owlets class will be heading to Morrisons in Maidstone during the first week of February to find out how the store works. We hope they will even get the chance to prepare doughnuts, by filling them with jam. I wonder if anyone will bring one back for me ...

## **Mike Fenton Returns To Ulcombe CE Primary School**

Looking further ahead, some of you may remember Mr Mike Fenton, who was Deputy Head Teacher here thirty years ago. He is coming back on Monday 11th March. This time it is for the morning to teach all of the children how to play the 'Autoharp'. He is the leading expert on this instrument and has played around the world. In fact he is a member of the Autoharp Hall of Fame!

Everyone, including our friends and neighbours, are welcome to come along for a short concert at 9.05am (for about half an hour). He will then lead workshops with the infants and the juniors, before finishing with a concert for parents, in which children from Tawny Owls and Barn Owls Classes will perform. We look forward to seeing you there, learning about this wonderful instrument.

## **Library Update**

We continue to push forward with our planned extension. This will house a library, and will also include a toilet suitable for disabled visitors and members of the school community. The current delay is caused by the need for additional and unexpected legal documentation to enable KCC, the Diocese of Canterbury and UK Power Networks to work together to move the electricity sub-station.

With a purchaser lined-up for the site it is hoped that the legal issues can be resolved as quickly as possible and so precipitate the completion of selling the disused adventure trail by KCC as quickly as possible. This will, as you know, fund the long-awaited extension.

## **Friends of Ulcombe School**

FUS have been planning activities for 2013. The first event will be the St. Valentine's Disco on Thursday 14<sup>th</sup> February, after school. The children are already looking forward to putting on their party frocks and dancing shoes.

In Term 4 we will be celebrating Mothering Sunday and the Easter. We look forward to enjoying the different activities that these events bring. Looking ahead to the summer, FUS have already set the date for the Summer Fayre. Please put Saturday 22<sup>nd</sup> June in your diary, as it would be fantastic to be joined by all of our friends and neighbours.

## **The Next Ulcombe School Friends' Dinner**

You are cordially invited to the next Friends' Dinner, when we will be celebrating Mothering Sunday on Wednesday 6<sup>th</sup> March. For those of you who are yet to attend, this is a chance to have a roast dinner in school, prepared by our very own School

Cook and served by the children. The after-dinner entertainment is from the children, showing off what they have been learning in class. On this occasion the children will be showing and telling us all about their mums.

Invitations will be coming out soon, but if you do not get one, please do not think we have deliberately left you out. Simply contact the school and we will be only too pleased to add you to the list.

### **Charity Corner**

At Christmas many of you will know that we were raising money for Demelza Children's Hospice in different ways. Collections after the performances of The Supersonic Lamb and the Christmas Service were added to money raised by staff who are taking part in a 'Share-a-Card' scheme. The final total was £135, which is a wonderful total for our small school. Very many thanks to everyone who has contributed for this tremendously worthwhile cause.

### **Choosing a School for September 2013**

Do you know anyone who is looking for a school for their child in the future? Children who were born between September 2008 and August 2009 should be starting school during the coming academic year. The deadline for applying for a school place for next September has now passed. More information is available in school and online at [www.kent.gov.uk](http://www.kent.gov.uk). If you or anyone you know would like help to complete an application, please contact the School Office.

Best wishes

## **Yoga Classes Grafty Green Village Hall**

Yoga Classes – Dip in opportunity!

Do you feel that you are being stretched in too many different directions? The family need you, your colleagues at work need you; your friends need you, the chores around the home are mounting up and you end up feeling frayed at the edges. When you experience a yoga practice you begin to experience the rejuvenation effect, shedding the stress and gaining energy and you are then able, somehow, to do more! This all happens in Grafty Green Village Hall.

If you would like to try a practice I am happy for you to dip in, maybe occasionally when the need arises (recharge the batteries); I am flexible in more ways than just physically!

Classes are on Wednesday evenings 7 – 8.30 during school term times and on Thursday mornings 9.30 – 11. The investment is £8 to dip in or block booking works out at £6 a session.

Sue Burch, (British Wheel of Yoga Teacher – 26 years' experience) contact 850381, [graftyyoga@gmail.com](mailto:graftyyoga@gmail.com).

## Music Notes, February 2013

After a fairly quiet January, February is bursting with local musical events. In my list I have included the pantomimes at Leeds and at Hollingbourne, because while they are theatrical productions, music is a very important element and the performers work hard at this aspect of their presentation. – and its all good traditional fun!

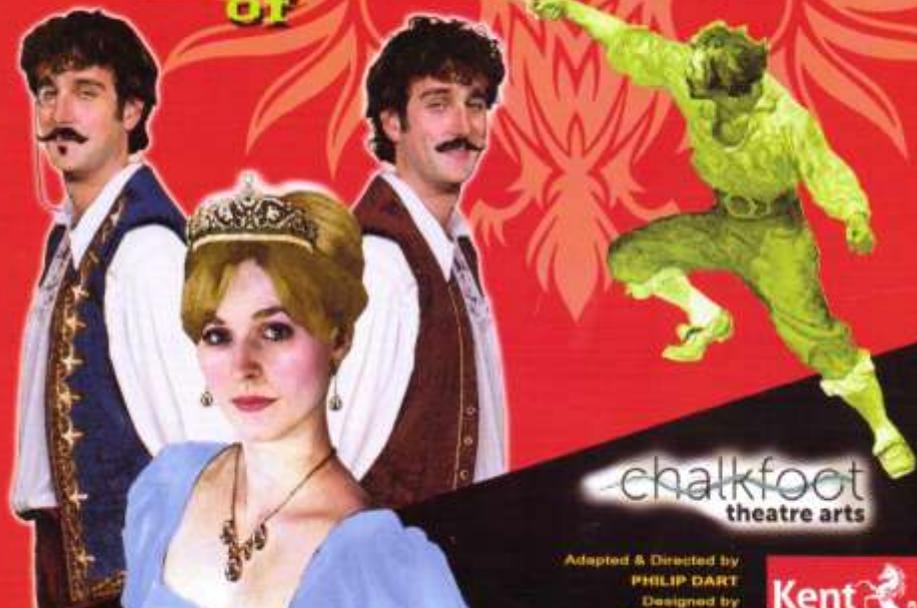

- Fri 1<sup>st</sup> Feb at 7.30pm and Sat 2<sup>nd</sup> Feb. at 2.30pm and 7.30pm, LADS Pantomime "Cinderella" in Leeds & Broomfield Memorial Hall. Tickets on sale Sunday afternoons in the village hall, 3-4.30pm.
- Saturday 2<sup>nd</sup> February, 7.30pm at Mote Hall, Maidstone. Maidstone Symphony Orchestra's concert includes Rachmaninov's *Piano Concerto No.2* (soloist Ching-Yun Hu ) and Nielsen's *Symphony No.4*. Tickets 01622 735830.
- Wed-Sat 6<sup>th</sup> – 9<sup>th</sup> Feb, Hollingbourne Pantomime "Humpty Dumpty" in Hollingbourne Village Hall. Evenings 7.45pm; Sat matinee 2.30pm. Tickets from Christopher's village shop, Hollingbourne.
- Sunday 17<sup>th</sup> February, 3.30pm at Sutton Valence School – Sutton Valence Music Society continue their 39<sup>th</sup> season of Professional Chamber Concerts with Greg Tassel (tenor) and Jonathan Wikeley (piano). Tickets at the door. Info 01233 756672
- Saturday 23<sup>rd</sup> February, 7.30pm at Mote Hall, Maidstone. Maidstone Choral Union joins with Maidstone Wind Symphony to present a grand concert of choral and orchestral music. The works to be performed include the *Choral Suite* from Carl Jenkins's *Armed Man*, and the *T-bone Concerto* with guest trombone soloist Brett Baker. This combined effort by two of our leading local groups is a "special" which is not to be missed. Tickets 01622 726193.

If the weather this month turns out too awful to allow you to get out, I would remind you that the six part series on the history of Western music from Gregorian chant to Gershwin presented by Howard Goodall on BBC 2, which started on 25<sup>th</sup> January, continues on Fridays. I would add the radio 3 controller's Choice for the month – Monday 11<sup>th</sup> Feb at 1.00pm, radio 3, the recital at Wigmore Hall by pianist Khatia Buriatishvli.

## Grafty Gourmet

This makes a great dinner on these Wintery nights. The muffin topping is great alternative to suet dumplings, and a lot lighter too.

### Muffin Topped Beef Stew

#### **For the stew:-**

500g braising steaks , cut into bite-sized chunks  
2 tbsp plain flour , seasoned with pepper and a little salt  
2 tbsp olive oil  
1 large onion, finely chopped  
450g carrots , cut into chunks

2 large parsnips , cut into chunks  
1 bay leaf  
2 tbsp sundried or regular tomato paste  
300ml red wine or extra stock  
450ml vegetable stock

#### **For the topping:-**

225g plain flour  
3 tsp baking powder  
140g cheddar , coarsely grated  
2 tbsp olive oil  
150ml milk

#### **Method**

1. Heat oven to 150C. Toss the beef in seasoned flour. Heat the oil in a large frying pan. Fry the beef over a high heat until browned all over - it's easiest to do this in batches. Remove with a slotted spoon and set aside
2. Add 2 tbsp water and the onion to the pan, stir well over a medium heat, scraping up the crusty bits from the bottom of the pan. Lower the heat and fry gently for 5 to 10 minutes, stirring occasionally until the onions have softened.
3. Tip in the carrots, parsnips and bay leaf, then fry for 2 minutes more. Add the mixture and the beef to a casserole dish. Stir in the tomato paste, wine, and stock. Cover and cook in the oven for 1¾-2 hrs until the meat is tender. Take out of the oven and increase the temperature to 190C.
4. To make the topping, sieve the flour and baking powder into a bowl and add half the cheese. Mix olive oil and milk, then stir into the flour to make a soft, slightly sticky dough. Add more milk, if necessary. Spoon the dough over the meat and vegetables, sprinkle with the remaining cheese and bake for a further 15 minutes until golden, risen and cooked through

# Egerton Telecottage Centre

## Free Training!

Egerton Telecottage Computer Centre has been selected by BT for a year's free broadband under its Community Connections Scheme. This means that we can now offer a free training session to anyone who wants to learn about computers or to use the Internet for the first time.

Our charges are usually very affordable- whether it is for a class or a one to one session on any subject of your choice - the latter costing £10 an hour. With the free broadband, we can help anyone who has not had any training before to get to grips with a computer completely free of charge so they can enjoy all the benefits of the Internet - whether it is internet shopping, keeping in touch with old friends or seeing pictures of grand children who live abroad. Our friendly volunteer tutors are here to help you gain confidence and learn new skills in the comfort of a purpose built computer centre in the heart of the village of Egerton. We also run a drop in clinic on Saturday mornings where you can get advice of technical problems and use the internet or office facilities.

The Community Connections scheme is an important part of BT's "Get IT Together" programme, which aims to make the benefits of the internet available to as many people and organisations as possible. A large number of voluntary groups applied on line for the BT Community Award Scheme and Egerton is one of only three groups in Kent selected for the free broadband offer.

## The February Night Sky

The **Sun** is in the constellation of Capricornus at the beginning of February, and moves into Aquarius.

**New Moon** occurs on Sunday 10<sup>th</sup> February, and **Full Moon** is on Tuesday 26<sup>th</sup> February when between the constellations of Sextans and Leo.

**Mercury** rises in the southeast just before sunrise in the constellation of Aquarius, so again will not be easy to see in the twilight.

**Venus** rises in the southeast just before sunrise in Capricornus, and might still be possible to see as the 'Morning Star' in the early morning sky.

**Mars** again rises in the southeast at sunrise, so will not be visible this month.

**Jupiter** is well placed for viewing this month. It is high in the southeast in the mid evening in the constellation of Taurus, and is visible until the early morning when it sets in the northwest. Though a telescope you should be able to see the dark and light bands together with the **Great Red Spot**. It may also be possible to see, even through binoculars, Jupiter's four major moons.

**Saturn** rises in the southeast just around midnight, and is very low on the southern horizon. It will not be easy to spot this month.

Last December I promised to keep you up to date with the latest news from NASA's Mars Curiosity Rover. A geochemist and a planetary geologist from Aberdeen University and the Natural History Museum have reported that rocks from the huge McLaughlin crater on Mars may contain the strongest evidence yet of life on the planet. In their study, published in the Nature Geoscience journal, they have assessed the crater, created by a meteorite that crashed into Mars, flinging up rocks from miles below. It is said that there could be bacteria or even fungi at sub surface levels, which would not survive on the surface, owing to the radiation and the freezing temperatures. I will continue to keep you informed.

## **Christian message February 2013**

Last month MBE's were awarded to some; CBE's to others. Those more highly esteemed can look forward to being addressed as 'Sir' or even 'Dame.' Important people. In England, as anywhere else, our society is studded with those who enjoy more status than others. Some wear bizarre clothes which signify their importance. Members of the Order of the Garter wear elaborate robes which distinguish them from ordinary mortals.

The Church of England, too, is prone to dress its more 'important' officials in elaborate clothes which it is hard to imagine its founder wearing despite the fact that he is a priest forever. Archbishops, bishops, archdeacons process in a variety of robes including, for bishops, mitres and gloriously embroidered copes.

Next month the Rt Rev Justin Welby will exchange the attire of a Bishop for that of the Archbishop of Canterbury. An important man. But how important is an Archbishop? How do non-robe wearing Christians compare?

The answer is simple. I believe that in God's eyes the Archbishop is no more important than any other follower of Christ whatever their denomination, race or social status.

This is not a radical idea dreamt up in the bath. It is a statement based on Biblical truth. There are at least two ways in which Justin Welby is the same as you or me. Consider first the words of the Apostle Peter. Following a vision from God he said, 'I now realise how true it is that God does not show favouritism but accepts those from every nation who fear him.' No favourites! The whole story can be read in Acts chapter 10.

Secondly all Christians have been given the same task. The Archbishop's aim, albeit in a new environment, is the same as that of all Christians: TO MAKE CHRIST KNOWN.

Let's pray for ourselves to be faithful in offering the life giving knowledge of Christ to others. Let's pray for the Archbishop that in his more varied ministry he will do the same. We are fellow workers. God's kingdom is the one place where all are equal.

## **Women's World Day Of Prayer.**

Friday, March 1<sup>st</sup> 2013.

St. Mary's, Lenham 10.30am  
All Saints Church, Ulcombe 7pm

### I was a stranger and you welcomed me

Women's World Day of Prayer is a unique organisation; truly interdenominational and truly international, it speaks with the voices of women from all corners of the globe. Involvement in WWDP creates a network of Christian women on a worldwide scale which also reaches into our local community. On Friday, March 1<sup>st</sup> after months of preparation men and women will be gathering to celebrate using a programme of worship prepared this year by women in France.

When the women of the French Committee met to work on the material for 2013, the theme chosen for them became close to their hearts: I WAS A STRANGER AND YOU WELCOMED ME. The service they have written for us has a strongly French feel and flavour.

We envisage a great annual wave of prayer, rising with the sun over the island of Samoa and then sweeping across Asia, Africa, the Middle East, Europe and the Americas, until it comes to rest in American Samoa some 36 hours later. By then services will have taken place in over 170 countries.

All are welcome to attend, men and women and people of all ages. Please make a note in you diary for Friday, March 1<sup>st</sup>.

### **Posada**

Posada means Inn in Spanish. There was no room in the inn at Bethlehem for Mary and Joseph two thousand years ago. This advent we have been making room in our homes for the figures of Mary and Joseph. They have been passed round houses in Ulcombe, Kingswood and Grafty Green to remind us of the real meaning of Christmas. Perhaps next December you would like to house them for a night?
