## **POLICY VE1 – DESIGN QUALITY**

### **DRAFT POLICY VE1 — Design Quality**

1) The design, form and detail of new developments should be principally informed by the traditional form, layout, character and style of the parish's vernacular architecture. This will be applicable to both new build homes and other buildings and to alterations to existing properties.

2) Careful innovation in design or thoughtful modern or contemporary architecture is not precluded by this policy and such designs are encouraged.
