Your personal data – what is it?

"Personal data" is any information about a living individual which allows them to be identified from that data (for example a name, photograph, video, email address, or address). Identification can be directly using the data itself or by combining it with other information which helps to identify a living individual (e.g. a list of staff may contain personnel ID numbers rather than names but if you use a list a separate list of the ID numbers which give the corresponding names to identify the staff in the first list then the first list will also be treated as personal data). The processing of personal data is governed by legislation relating to personal data which applies in the United Kingdom including the General Data Protection Regulation (the "GDPR") and other legislation relating to personal data and rights such as the Human Rights Act.

Who are we?

This Privacy Notice is provided to you by [insert name of council] which is the data controller for your data.

The council works together with:

- Other data controllers, such as local authorities, public authorities, central government and agencies such as HMRC and DVLA
- Staff pension providers
- Former and prospective employers
- DBS services suppliers
- Payroll services providers
- Recruitment Agencies
- Credit reference agencies

We may need to share personal data we hold with them so that they can carry out their responsibilities to the council and our community. The organisations referred to above will sometimes be "joint data controllers". This means we are all responsible to you for how we process your data where for example two or more data controllers are working together for a joint purpose. If there is no joint purpose or collaboration then the data controllers will be independent and will be individually responsible to you.
