

Borden Sports Association

Monthly Report August 2022

Cricket

The Saturday cricket side continue to play occasional friendly matches due to the lack of numbers available and are at home next week the 20th to Otterden .

The Sunday side have just witnessed a win against the league leaders Kings Hill which has kept them in a favourable league position. Their next home feature is Sunday 21st against Minster beginning at 1pm.

The cricket stats & club information particularly for new interested players can be viewed at www.borden.play-cricket.com

Anyone interested in playing regular cricket is asked to contact the cricket section via the details on the website.

Football

The football league season is about to begin with the first league match being played at home this Wednesday (16th) 6.15pm kick off against Kings Hill.

The newly formed Borden Village Youth under 8's side have begun training at this facility with future matches also being played here on Saturday mornings.

Full details of the coming season senior matches, once scheduled will be found on the website <https://www.bordenvillagefc.co.uk/>

Pavilion

New cabinets have been purchased by the Sports Association and fitted by ourselves in the ladies and disabled toilets to store all the toiletries and cleaning materials thus preventing the previous clutter particularly in the disabled toilet. The room has been tidied with the floor steam cleaned by volunteers bringing this facility up to standard in line with the requirements of the Disability Act.

As with the parish hall the omission of a disabled ramp for entry into the building leaves the Parish Council vulnerable as owners of the building. The clerk will have quote details for the forthcoming Parish Council meeting to agree purchase of a small removable ramp to be kept on the premises which will alleviate this contravention of legislation.
