### **MINUTES OF THE PREVIOUS CO-ORDINATORS MEETING**

The Minutes of the previous meeting were agreed as a true record and signed accordingly proposed by Andrew Carter and seconded by Graham Turnbull.

### **MATTERS ARISING:**

Jackie Carter said that the letter to PCC had still to be finished and sent.

Andrew Carter reported that he now held a supply of alarmed padlocks available at a subsidised price of £7.50 each to members only. He had brought one along to the meeting to demonstrate its attributes both as a sturdy padlock and an alarmed deterrent. Coordinators were asked to let their scheme members know about the offer and to get in touch with numbers required.

### **SPEAKER – ALISON TEECE**

Alison Teece from Shropshire Fire & Rescue Service Prevention Team spoke about Fire Safety in the Home giving advice on Smoke Alarms, where to place them and the importance of checking them regularly, her motto - 'Test it Tuesday'. She showed a short video about the dangers of placing flammable items close to fires and the dangers of candles, etc. Top fire callouts were to kitchen fires where homeowners had been distracted leaving cooking unattended, faulty electrical appliances (e.g. washing machines and tumble driers). She also stressed the importance of not overloading socket extensions. It was an interesting and informative talk giving advice to home owners. She reminded members that the Fire Service offers a free Safe and Well Visit to test or fit new smoke alarms to elderly or vulnerable homes.

They were asking for our assistance in notifying them of any suspicious movements of farm vehicles or building equipment from sites where work has stopped for the day. They said that they were contactable via 101.

## **LOOKING FORWARD TO THE AGM**

The Chairman, Dave Roberts reminded those members present that we need more members on the Committee, particularly replacements for John McGuinness and Steve Corbishley who is leaving the area. He said nomination forms are available.
