## PLAYING FIELD NEWS – Steve Hogg

There is not a lot to report on the playing field front but keep a look out on the field as work will be starting soon on the new play area. With a lot of effort from Lydia Smithson, we have secured this with a large grant so will not dent the coffers too much which is good as we now need to invest in a new grass cutter that will cost £3000 or more.

Although still somewhat in the distance, car boots are now being organised. Could all village organisations that require a car boot please contact me ( 07917860057 or [hsteph665@aol.com](mailto:hsteph665@aol.com) ) and we will program them in. It is still easy money for all groups so don't miss out. Money raised from last year's boot sales is now being distributed throughout the village so all organisations that held one last year should receive a cheque very soon.

## Rippard's Boxing Day Ramble

Around 50 walkers and about a dozen dogs enjoyed winter sunshine and soft-going for the 8<sup>th</sup> Annual Boxing Day Ramble led by Brian Rippard, starting and finishing at The Bottle & Glass, Harby.

Leaving the village on Route 647 cycle track towards Wigsley, then taking the footpath across and beside turf fields to Plot Farm where the walkers re-grouped before completing a seven-mile circuit via Thorney Brown and back to route 647.

The exercise and conversation proved the perfect remedy for the gluttony of Christmas Day and a warm welcome, mince pies and excellent beer at the Bottle & Glass perfectly completed the Boxing Day festivities.

Thanks to Brian and The Bottle & Glass, Harby for another great Boxing Day Ramble.

# HARBY MOUNTAIN RESCUE TEAM

## 2013 Far Eastern Adventure

Planning is well underway for the seventh annual Harby Mountain Rescue Team Adventure, with a record number of 14 undertaking a *Far Eastern Adventure* from Thursday 5<sup>th</sup> to Sunday 8<sup>th</sup> September 2013. Harby Mountain Rescue Team veteran Phil Thomas makes a welcome return and we also welcome John Howard for his first Great Adventure with many of the usual suspects for four days and three nights in East Anglia.

George Dickinson	Mike Lloyd	Martin Attrup	Matt Tucker	John Mawer
Paul Nolan	Mike Evans	Richard Willows	Richard Croft	Phil Ely
Brian Rippard	Keith Ely	Phil Thomas	John Howard	

A circuitous 180-mile route starting and finishing at Helmingham in Suffolk will take in the usual sight-seeing and cultural interludes along the way as the team explore East Anglia on quiet country lanes and the National Cycle Network. The relatively flat terrain should be easier going than some of the previous Great Adventures and we hope to visit the easternmost point in Britain at Lowestoft Ness, there's also a high risk of a tour of Adnam's Brewery at Southwold.

### Greening Harby and District

We are currently planning to hold a Saturday Swap Coffee Morning. This will be like a Bring and Buy event but without money changing hands. You can bring along items that you no longer need, that might be useful for someone else. People don't need to bring anything in order to take items away and vice versa.

Watch out for further details on the Noticeboards and leaflets through your door.

### Don't Forget

## CHRISTMAS QUIZ

On December 8<sup>th</sup> the Friends of Queen Eleanor held their quiz night in the village hall. The evening was a great success and on behalf of the committee I would like to thank everyone who attended and helped raise £350 for the school. A big thank you, also to everyone who helped out: Kevin Weaver, for giving up his time to produce and deliver the questions; David Rose for his help on the night; and finally to George Dickinson for acting as an impromptu auctioneer who persuaded Harriet Earnshaw to part with £25 for a signed photo of Wayne Rooney. If anyone is interested we also have signed photos of Fernando Torres and Cristiano Ronaldo, contact Becki Wheeler.

On March 20<sup>th</sup> we will be holding an Easter Fayre in the village hall to raise funds for fitting out the new school hall. Please look out for posters giving more details nearer the time.

Heather Sheehy  
Chair – Friends of Queen Eleanor.

## Look two, one's going, one's gone

Wasn't the Carol Service on 23<sup>rd</sup> December fantastic, the atmosphere in All Saints with the excellent turn-out, must have been gratifying for all involved. Best book a Pew for next year. From the Rev. Briggs officiating, the Christmas Tree Erection and Decorating, 'The Orchestra' from Collingham I believe. The Queen Eleanor School Choir and all those who gave the 'readings' and I must not forget the 'Catering and Bar Staff'. Last but not least my thanks go to the bell ringers who rang Jingle Bells prior to the service. "Oh! No they didn't" I hear you say, "Oh! Yes they did, they played all the right notes, but not necessarily in the right order" I've heard that before.

"I don't believe it" when I remind myself, that we have rung in the New Year to celebrate our ten years of ringing. The last few minutes are quite something waiting for the New Year just prior to midnight. It's almost like being on the starting grid at Silverstone, waiting for the Red lights to go out. You know what I mean John and Tone! We in the belfry have a starting system, which is the radio controlled clock donated by Jayne and David Rose last year. Phillip being our clock warden looks at it with envy as he adjusts the Church Clock occasionally.

With David listening for Big Ben, on a radio as back up (a wireless, to some of us) 5-4-3-2-1 Happy New Year everyone. We rang for approximately 20 mins, David doubling up as our official photographer, then photographed us congratulating ourselves with a customary, small glass of wine. Days later I was informed and thanked by parishioners that had braved the cold air with the windows open, bedroom windows as well, listening to the bells. Milly sat by the fire and heard them down the chimney. I think she was really looking to see if Father Christmas had left any foot prints in the soot, when the fireworks had finished on the television.

Quotes were obtained for the bell restoration project. The favoured contractor is Whitechapel Bell Foundry Ltd. They have been notified of their accepted quotation. Also a kind offer of the Diocesan Bell Fund's Guild Insured voluntary labour and grant has been accepted. The submission of the faculty advice was submitted. The PCC have currently submitted a Petition for Faculty on 3rd January, and has been passed on to the Registry for processing. Mick Exton, DAC Bells adviser, has also submitted his recommendations, which supports our Petition. The Public Notice is on display until 29th January. We will then a-wait the official granting of the Faculty. Following an initial survey, Whitechapels are coming to All Saints on the 5th Feb to take detailed measurements, etc. which in turn will allow them to commence detail design work in readiness for the aforementioned faculty. This will enable Whitechapels to commence manufacturing prior to the dismantling on site, planned to commence after a wedding already booked, which is to take place at All Saints on Friday 31st May.

Thank you for reading the 60<sup>th</sup> **Look two, one's going, one's gone**. Do you want a referendum for me to carry on? Barbara Windsor wants another Carry On!

## CHURCH NEWS - Tom Chapman

The Carol Service on the 23<sup>rd</sup> December was a great success with the Church packed with parishioners and school parents.

Rev. Michael Briggs lead the service and we had readings by Harby children with carols telling the Christmas story. The Queen Eleanor School Choir were a highlight and we were accompanied by the Joyful Noise Music Group from Collingham. Finally at the end of the service we enjoyed mince pies, kindly supplied by Will and Milly Turner and mulled wine. Thank you to everyone who attended and made this such a brilliant event.
