RE: Replace cable to lights to supply ticket machines

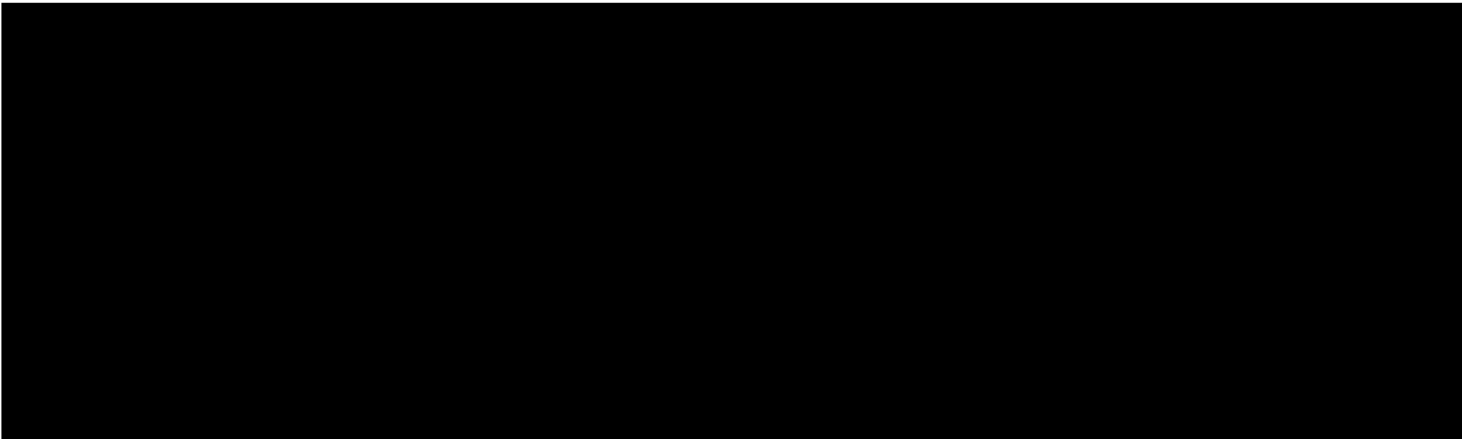

Dear Graham

Thank you for giving  the opportunity to quote for the works required to replace cables to 2nr street lights.

Following the information supplied by yourself I am pleased to enclose our most competitive price for the works required at Swaffham Market Place.

The area intended to be worked in will need to be cordoned off at all times for the safety of  operatives. The work area will be cleared of any debris at the end of each day and once all works are complete the area will be cleaned.

The area intended to be worked in will be clear of any goods belonging to the customer, 
 will not be accountable for any damage to goods left within the work area once work commences.

Tender summary

- Install new cables to 2nr streetlights which will involve removing the existing cables and installing new cables in their place pulled through existing ducts.
- Install additional cut outs within bases to supply the ticket machines separately
- Install additional protectives devices within the control panel and modify wiring to suit installing additional circuits.
- Update control panel and as fitted drawings to suit.
- If the cables will not pull through the ducts freely then we may have abandon the works as we do not want to risk losing a cable within the duct.

Price

Total contract price; £1,386.51 + VAT

Lead times

The stated lead times are indicative and given as a guide only. From receipt of an order, we would require 2 weeks prior to starting on site, however we will endeavour to reduce leads times where possible.

Payment

To be agreed prior to order, all prices are excluding VAT.

Assumptions

- Unimpeded access to the working area between normal working hours
- Unobstructed power supply at source.
- Continuity of work. Any non-productive time resulting from delay in materials or access equipment to be recorded separately and charged pro-rata as necessary.
- No allowance has been made for specialist drilling over 28mm in diameter
- No allowance has been made for any builder's work
- Assumed parking available on site

Terms

It is an express condition of this quotation that any contract which may result from this offer, would be subject to our terms and conditions available on request.
