

Further repairs at the Community Centre will take place during October. A floorboard gave way some months ago, and woodworm was discovered in the boards and joists underneath. The area has been unusable and cordoned off for safety. Work will be carried out to remedy this, and to treat an area of wet rot at the same time.

In an old building such as this, there is always something that needs doing. This past year has been costly, and your continued support via donations and attendance at events is very much appreciated.

**Remember hedgehogs this Bonfire Night.** Please check bonfires before you light them as hedgehogs love to hibernate in them. Ideally bonfires should be built on the day of lighting, but if not, you can help hedgehogs by building a barrier around the bonfire with chicken wire. See MCA Facebook page on how to help hedgehogs survive the winter.

The Race Night planned for 19th November has now been postponed until February, in support of Linda's Evestrust Charity Night. Contact Linda 07933 635938

**MCA  
100+  
CLUB**

A **BIG BIG** thank you to all who have joined/re-joined the MCA 100+ Club for 2022/23. We now have 194 numbers in the pot which means a total prize fund of £1,164. We have increased the monthly draws to £60 - £30, £20 and £10 and the 2 'Super Draws' in December and July will total £282 each. It means that the same amount - £1,164 - will go towards Community events and projects. We have already purchased a croquet set for the residents of the 'New Bungalows' (available for all to use) and a new goal for the school playing field. There are a few numbers left so if you would like to join in or need further information, please either ring Jan on 285709 or email [MCA100CLUB@GMAIL.COM](mailto:MCA100CLUB@GMAIL.COM)
