Collingham & District Cricket Club - Update

The Collingham & District Cricket Club Committee would like to inform you that cricket, in the form of 2-person net practice, is returning to Collingham.

The England and Wales Cricket Board (ECB) recently released detailed guidelines allowing cricket clubs to commence restricted outdoor practice.

The cricket club committee has been working hard behind the scenes and has now approved a **Collingham CC Return to Activity Plan**, which has been developed in full accordance with the ECB and UK Government guidelines.

As a result, we are delighted to announce that we are introducing **scheduled net practice sessions** for all teams and age groups from **w/c 1st June**. Please be reminded that all players must be paid up 2020 members in order to access the practice facilities.

If you have any questions regarding the above please contact Charles Lucas, at the address provided, or alternatively please email collinghamccbookings@gmail.com

The committee would also like to take this opportunity to thank our club members, sponsors and supporters for all their support during these difficult times.
