PUBLIC MEETING

As part of the Regulation 19 consultation on the Local Plan a public meeting has been arranged in Partnership with the Town Council and Tonbridge and Malling Borough Council. This meeting gives residents the opportunity to learn more, ask questions, and share their views. This meeting will be held in the MG Suite at the Council Offices, Devonshire Rooms, Waghorn Road, Snodland on **Thursday 1st October 2026 at 7pm.**

Land North of Holborough Lakes, Snodland - is still included in the Regulation 19 draft. Policy SN1 allocates the site for around 1,300 dwellings with supporting physical and community infrastructure.

The draft policy states that primary vehicular access is to be from the A228/Peters Bridge roundabout and that development proposals must include appropriate mitigation for impacts on the local and strategic highway network, including the A228 corridor.
